- 6.9 Emergency unpaid leave is defined as unexpected life circumstances when all sick time and personal time has been used, particularly after a leave under the Family Medical Leave Act. The cost of health benefits on an emergency unpaid leave day will not be charged to the employee.

Unpaid Leave: Unless unpaid leave is pre-approved by contacting your supervisor for approval, not reporting to work after an employee has exhausted all personal, sick and vacation time can result in discipline steps. ## **ARTICLE XII**

### **Reduction of Staff**

12.1 All reductions in staff shall be made based on seniority within job classifications, (i.e., Administrative Assistants, Paraeducators, Interpreters, Language Facilitators, Health Occupations Certification Trainers, Sign Language Paraeducators, Medicaid Assistants, Food Service Coordinators, Technology Assistants, and Custodians).

- 12.2 In the event of a necessary reduction in work force, the Board shall first lay off probationary employees in the classification scheduled for reduction, then the least senior employees in that classification. In no case shall a new Employee be employed by the Board while there are laid off employees who are qualified for a vacant or newly created position. Any employee who has served in a position in the past shall be considered qualified for said position, provided they meet the certification requirements, new posting requirements and requirements of the job description.
- 12.3 There shall be no reduction in the normal work hours provided for any employee or position without notification to the Association as to the reasons for the reduction and its ramifications. In no case shall a reduction of any employee's work hours take effect until twenty (20) business days after written notice to the affected employees is given by the Board or its designee, except in the event of circumstances where the Board did not have knowledge of the need to reduce staff twenty (20) days in advance or when there is an employee work stoppage.
- 12.4 In the event an employee is notified of a reduction in their scheduled hours, the employee shall be allowed to bump the least senior member in the same classification with the same or comparable hours. Comparable hours for the purpose of this section would be forty-five (45) minutes either way. If no position is available within the member's classification, they may bump the least senior person in another classification in which they have seniority, meets any certification requirements, and meets the requirements of the job description.
- 12.5 For the first sixty (60) calendar days of such layoff all fringe benefits will be continued by the Board. Laid off employees may continue their medical, dental, vision, and life insurance benefits by paying the regular monthly per subscriber group rate premium for such benefits to the Board.

Employees shall not lose any accumulated sick leave, vacation time, position on the seniority list or placement on the salary schedule due to a layoff. The employee will move to the appropriate step on the salary schedule in accordance with years of service in the District.
- 12.7 Notices of recall of employees on layoff shall be sent via e-mail. If the employee has not responded within forty-eight (48) hours, the Superintendent will attempt to contact by phone, and will finally send a letter by certified or registered mail to employee's the last known address as shown on the Personnel records. If a laid off employee refused to accept or sign for the recall notice or the recall notice is returned as undeliverable, the Superintendent has

It shall be the employee's responsibility to keep the Superintendent notified as to their current mailing address. An employee on layoff shall be given at least five (5) business days from receipt of notice to report to work. The Superintendent may fill the position on a temporary basis until the recalled employee can report for work, providing the employee reports within the five (5) business days. The employee shall report to work upon the date specified by the Superintendent and failure to report on that date shall terminate their employment unless an extension for extenuating circumstances is granted by the Superintendent. If a currently laid off employee turns down a position of comparable hours, they shall be removed from the recall list.

- 12.9 Seniority will reflect the date of hire. Administration will publish the seniority list by September 1 of each school year and send it to the President of the Association and to all bargaining unit members. The President and all bargaining unit members will have thirty (30) days after receipt of the seniority list in which to review the list and suggest corrections. After those thirty (30) days, the list becomes valid. The only times the list will be updated thereafter will be when cross-classification transfers occur and in cases of reductions in personnel.
- 12.10 In the event two (2) or more persons have the same date of hire and complete the probationary period on the same date, the position on the seniority list shall be determined by lottery.
- 12.11 When switching classifications, employees maintain their years of service with the District, current pay step, and seniority.

  - C. When two (2) or more equally qualified employees from other classifications apply for the vacancy, the employee with the most District seniority shall be granted the position.

Election to participate will be based on individual association members executing and filing a salary reduction agreement as required by the Board. The District may change, amend, or suspend the medical insurance premium plan if legislation or regulation alters, limits, or prohibits operation of such a plan as currently permitted under the U.S. Internal Revenue Code of 1986, as amended.

The Board will provide a letter to the union stating that the District will hold the employee harmless in the event the Section 125 Plan is found to be in non-compliance with the cash option plan in lieu of health benefits as defined in Section 125 of the IRS Code.

- 23.8 Friday Substituting - Early Childhood Special Education Paraeducators who wish to substitute on Fridays at the Area School shall notify Administration by August

15 of each year. Bargaining unit members who respond shall be called to substitute in order by seniority. Non-bargaining unit members will be called only when there are no bargaining unit members available to substitute.

Summer Substituting - Bargaining unit members who wish to substitute for the summer programs shall notify Administration by June 1 of each year. Bargaining unit members who respond shall be called to substitute in order by seniority. Non-bargaining unit members will be called only when there are no bargaining unit members available to substitute.

Paraeducators will be paid their regular hourly rate while serving in a substitute capacity. This rate of pay for subbing will not include any other benefits Paraeducators are otherwise entitled to, nor will it be considered part of their total hours worked when computing earned vacation, holidays, or sick time.

Support staff members who are eligible to substitute teach in the state of Michigan will receive a twenty-five dollars (\$25) stipend, in addition to their regular daily wages, for each day they agree to serve as a Substitute Teacher. This applies to both Special Education and CTE programs. Administration will exhaust all other options before asking a support staff member to work as a Substitute Teacher. If a support staff member is asked to work as a Substitute Teacher, Administration will make every attempt to replace their position as a support staff by a substitute support staff worker for that time.

In a classroom where two (2) support staff members are eligible to substitute teach in the State of Michigan, the support staff member with the highest seniority will be given the first (1<sup>st</sup>) opportunity to agree to serve as a Substitute Teacher.

- 23.9 It is agreed between the Clare-Gladwin RESD and the Clare-Gladwin ESPA/MEA that a Paraeducator shall not bump a substitute Paraeducator placed in a position known to be open for one (1) semester or one (1) year due to a Board approved leave of absence in accord with all the provisions of the Master Agreement or as required by law.

It is also agreed that a Paraeducator shall not bump a substitute Paraeducator placed in a long-term substitute position (as defined below) in accord with all of the provisions of the Master Agreement.

A long-term substitute Paraeducator position shall be defined as a position that has been temporarily vacated by a bargaining unit member for more than twenty (20) working days for a leave of absence as required by law or as granted by the Board of Education for leaves recognized in Article VIII of the CGRES/CGRES ESPA/MEA Contract. Until the position has been temporarily vacant for twenty (20) working days, a bargaining unit member who would otherwise be without work on that day may bump into the position. If the

position continues to be filled by a substitute beyond the twenty (20) working days, no bumping will be allowed; however, the bargaining unit member shall accrue vacation time for the hours s/he is not allowed to bump from the long-term substitute. If the bargaining unit member has refused to bump another available sub in the District on a given day, s/he shall not accrue vacation time under this provision.

This language shall not be applied to layoff and/or personnel reduction and bumping resulting from a reduction of personnel. Nothing contained in this article shall be allowed to extend the length of time that a substitute may be used in a position or be construed to change the language or the interpretation of the language in Article XIV, section 14.2.

#### **ARTICLE XXIV Terminal Pay/Retirement**

- 24.1 A. Upon separation from the CGRES D, and with at least ten (10) days-notice by the employee, bargaining unit members who have completed at least ten (10) years of service to the CGRES D shall receive payment for one-half (1/2) of their accumulated sick days up to a maximum of seven hundred fifty dollars (\$750).
- B. Upon resignation due to retirement from the CGRES D or the employee's death, bargaining unit members who have completed at least ten (10) years of service to CGRES D shall receive payment for one-half (1/2) of their accumulated sick days up to a maximum of two thousand dollars (\$2,000).
- C. In the event of the death of an employee during the term of employment, said payment for unused sick days will be paid to the beneficiary designated, in writing, by the employee. If no beneficiary is designated, payment will be made to the estate of the deceased.
- D. If requested by the employee, the CGRES D shall make a one-time lump sum contribution to a 403(b) account in the employee's name held with a vendor on the District's approved vendor list as figured in Article XXV (A) or (B).

#### **ARTICLE XXV Miscellaneous Provisions**

- 25.1 Section 15(7) of the Public Employment Relations Act (PERA) mandates that any contract entered include a statement that allows an Emergency Manager appointed under the Local Government and School District Fiscal Accountability Act to reject, modify, or terminate the collective bargaining agreement as provided in the

Local Government and School District Fiscal Accountability Act. This provision is intended to satisfy this requirement.

**ARTICLE XXVI**  
**Duration**
