Meridian GSRP Preschool Newsletter

Helpful Hints

- *We will be planning parent-teacher conferences in December. Please be on the look-out for information regarding signing up for a time to meet with your child's teacher about his/her progress.
- *Please remember to send your child to school with warm winter clothing, as the weather is getting quite cold and we do go outside every day (children go outside right away in the morning).
- *Please remember that if your child is too sick to go outside, he/she is too sick to come to school.
- *There are items on our playground that children cannot use because they are not safe for preschoolers. Since we do have school-age kids here too, we have both types of equipment to use.
- *Please call the bus garage at 687-3249 if your child will not be riding the bus. Please call us if your child will not be attending school for any reason.
- *If you are concerned about school closing, please look/listen for Meridian Public Schools" or go to www.merps.org.
- *We do NOT have half days of school in preschool. They either have a full day of school or no school at all.

NOTICE:

There is NO SCHOOL on Tuesday, 11-8. There is also NO SCHOOL on Wednesday, 11-23, Thursday, 11-24 and Friday, 11-25, as the building will be CLOSED for the holiday (on Thursday and Friday)

Don't Forget~

- *We are working on scheduling Picture Retake Day. We will let you know the date once it is set. You must return the old package if you are getting retakes for a new one.
- *We will be having a "Family Feast and Art Show" on Tuesday, November 22nd. Families will be asked to RSVP for the number of people who will be able to attend. A luncheon will be provided, which will happen in the Gym. More information will be sent home soon.
- *Please consider downloading the app "Kaymbu for Families" which is the communication tool that integrates with our assessment tool, COR. If you do not have the app, please be sure we have your correct email address.
