

MERIDIAN GSRP PRESCHOOL

Meridian Early
Childhood Center

January 3, 2024
Volume 17, Issue 4

Meridian GSRP Preschool Newsletter

Helpful Hints

- *Throughout the month of January, we will be learning about the season of winter. We will even be bringing snow inside the classrooms to use for science activities.
- *We are continuing to work on important skills such as cutting, pencil use, and number and letter recognition.
- *We are also spending a lot of time focusing on social skills. Getting along with other children, solving problems, and following classroom rules are encouraged and reinforced on a daily basis.
- *Please check out www.texttolearn.com to sign up for tidbits of parenting tips that come by text.
- *If you think there is a possibility of a snow day, please look or listen for "Meridian Public Schools".
- *Please call us if your child will not be attending school for any reason. This helps us know all of the children's whereabouts. Please remember to let us know if your child has been diagnosed with a contagious illness so we can let other families know about the exposure.

NOTICE:

Studies show going outside even in the winter helps a child:

- *Breathe fresh air
- *Build up their immune system
- *Get exercise
- *Imagine and explore
- *Have fun!

Don't Forget:

- *There is NO SCHOOL on Monday, January 15, 2024.
- *We are going on our next field trip-to Grace A Dow Library-on 1-31-24. A permission slip will be coming home soon.
- *If your child is taken home by bus and no one is there, the child will be brought back to school while a parent is reached. Preschoolers will not be left unattended!
- *Please be sure to make contact with your child's teacher before dropping off or picking up your child. We MUST know all of the children's whereabouts to be able to keep them safe!
- *Please feel free to call or email us if you have any questions, comments, or concerns.
