Helpful Hints

*Throughout the month of February, we will be learning about winter and snow.

*We are in the process of enrolling children in the preschool program for next year. If you have a child who will turn 3 or 4 by December 1, 2024 and are interested, please go to www.michiganpreschool.org to register.

*We are doing the second set of required home-visits during the month of February. Please call your child's classroom to set yours up if you haven't done so already. These will be held either at school or in your home.

*If you think there is a possibility of a snow day, please look or listen for "Meridian Public Schools". You can also like our page on Facebook. We post updates as soon as we know them-"Sanford Elementary Early Childhood Center".

*Our next field trip is set for Tuesday, 2-13-24. We are going to the Mt. Pleasant discovery Museum. Please be sure you completed and returned the permission slip. Also, if you plan to chaperone, we will need to run the background check on you. Most of you completed this form with the enrollment packet, but without one, you cannot attend the field trip with us.

NOTICE:

We go outside every day as long as the weather is 15 degrees or warmer, including the wind chill factor.

Please be sure to dress your child in layers. They can always take items off once we come inside. We use "The Weather Channel" app/website to make this determination. We are confident that the children benefit from going outside as often as possible!

Don't Forget:

*There is NO SCHOOL on both Thursday, February 8th and Monday, February 12th.

*Kindergarten Round-Up is set for Wednesday, March 6th from 6-7 pm at Meridian Elementary. Please plan on attending this event so Meridian Public Schools has an idea of how many Kindergarteners (or Young Fivers) will be attending next year. A flyer will be coming home soon with more details!

*Please feel free to call or email Julie Sheets, Director, at 687-3460 or Julie.sheets@merps.org if you have any questions, comments, or concerns.
