

COLUMBIA CRAZIES

Purpose

- To promote school spirit and good sportsmanship
- To represent the Columbia High School student body at all sporting events
- To encourage and support interest in all sports, fine arts, and other activities at our schools.
- To build traditions and promote a culture of fun, positivity, and unity at all school events

Guidelines

- **Participate in themes-** Themes help to promote unity in the student section and enhance the fun atmosphere. Themes will be posted in the remind app and promoted through social media before the games. If there is not theme, student section members are encouraged to wear their Columbia Crazies shirt or school spirit attire
- **Participate in cheers-** We have to be loud and make sure the teams can hear our chant. A student section can really affect momentum changes and help out our team. We want to be the 12th man on the field or 6th man on the court.
- **Be positive to our team-** We need to be positive to our team to help out their confidence. Make sure that we have a positive mindset throughout the whole game. A home crowd can give you a positive feeling and make you play better throughout the game.
- **No use of profanity or yelling at referees-** We want to cheer on our team but still remain respectful to the other team and officials. We want other schools to want to be like us, not the example of how not to act.
- **Show up-** It's kind of hard to have a student section without students. The rest of the rules can't be followed if we don't unite as one big Roughneck family and cheer on our athletes. One of our purposes is to encourage people to participate in school events and build traditions. We can only do that if people show up and participate.

Yell Leaders

- Senior leaders
 - Kenley Kincannon
 - Rylie Smith
 - Summer Strother
 - David Espinoza
- Junior Leaders
 - Adria Martinez
 - Gracie Raley
 - Alana Taylor
 - Esiree Flores

Membership

- Any current student at Columbia High School can be a member of the Columbia Crazies if they agree to the guidelines. We want all members to promote the organization and encourage others to join and attend events
