# DISTRICT & SCHOOL STAFF RESOURCE GUIDE

## MESSAGE FROM SUPERINTENDENT ANÍBAL SOLER, JR.

Dear Yonkers Public Schools Community,

I'm excited to share something new with you—our first **District & School Staff Resource Guide**.

We've created a clear, easy-to-follow guide that shows the resources each school and central office department received this year, along with what's featured in the 2025–2026 budget.

We know school budgets can be complicated. This new guide is meant to make things easier to understand. Whether you're a parent, staff member, student, or community partner, this book gives you a better look at how we're using public funds to support learning, staff, and school communities across Yonkers.

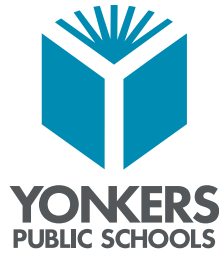

We're committed to being open about how resources are used, and this is another step toward making sure every part of our community can follow and engage in that process.

Thank you for your continued support of Yonkers Public Schools.

### PARTNERSHIP WITH THE CITY OF YONKERS

Yonkers Public School District proud to have a close and collaborative relationship with the City of Yonkers. Through a formal Intermunicipal Agreement (IMA), the City and the District work together to coordinate funding, facilities, and other shared services. This partnership strengthens our ability to align resources, helping us build the future our students deserve.

## OFFICE OF MANAGEMENT, ADMINISTRATION PLANNING & OPERATIONS

The Office of Management, Administration, Planning, and Operations plays a crucial role in reinforcing the district's operational foundation, overseeing essential areas such as transportation, facilities, food services, security, long-term capital planning, Adult and Alternative education. By prioritizing safety, functionality, and the proper resources for our schools, we empower both students and staff to thrive in an environment conducive to learning and growth.

...

We are the only Prekindergarten through Grade 12 school in the city of Yonkers. We seek incoming Prekindergarten and Kindergarten students who are ready to make a longterm commitment to a Montessori education. Our students learn in accordance to the five Pillars of Montessori: Learning, Hard work, Peace, Respect, and Community. We instill strong values into our students at a young age. We reinforce the importance of these values over our years together. We offer advanced coursework and internship opportunities that contribute to the academic and personal development of our students.

# YONKERS MIDDLE HIGH SCHOOL

GRADES 7-12

**Dr. Sandy Hattar, Principal**

150 Rockland Avenue  
Yonkers, NY 10705

(914) 376-8191

...

We seek highly motivated and dedicated students who have a genuine interest in learning. We excitedly begin to welcome students into our school in middle school. We welcome students from our District's Pre-K - 6 schools in Grade 7. While we welcome all learners in middle school, our own students are subject to our high school's academic admission requirements. Our incoming Grade 9 students will have to perform above average in four core areas: English, Mathematics, Social Studies and Science. The International Baccalaureate (IB) Programme offers our high school students an educational experience that is committed to high standards. Our goal is to empower our students to take ownership in their own learning and help them develop future-ready skills to make a difference and thrive in a world that changes fast.

We seek candidates who are interested in learning in a collegiate learning environment. All of our students are required to fulfill the New York State high school requirements for graduation. We are interested in supporting our students' academic growth to prepare them to be successful in college and beyond. Our CTE programs offer coursework that introduces students to three different career pathways including Business and Media Communications, Graphic Design and Automotive Technology Technician. Each program supports our students' development through job-shadowing, work-site visits, internships and community service.

Yonkers Pathways to Success offers instructional and vocational programs for out-of-school youth and adults. These programs help prepare students for both post-secondary education and to enter the workforce. Designated a Literacy Zone by the New York State Education Department, the program serves as a center for comprehensive education and support services. All programs and services are provided FREE OF CHARGE to Yonkers residents. A special effort is made to reach out to the parents/guardians of children who attend the Yonkers Public Schools, so they can participate in any of the Yonkers Pathways to Success programs.
