October 30, 2025

Dear Flemington-Raritan Regional School Community,

With the holiday season approaching, the government shutdown ongoing and SNAP food purchasing benefits expected to end this weekend, our District shares the following food assistance resources to help support our families and the well being of all students:

- [Community Food Bank of New Jersey](#)
- [Flemington Area Food Pantry](#)
- [Hunterdon County Human Services Directory 2025](#)
- [New Jersey Basic Needs Information Hub](#)
- [NJSNAP Resources - NJ211](#)
- [Norwescap](#)
- [Office of the Food Security Advocate: SNAP Benefits and Food Assistance](#)

Please take time to explore food assistance resources and services available through state, county and local connections.

In addition, our schools and many organizations hold food drives to help our community throughout the year. Now more than ever, support is critical. Thanks for teaming up to help provide for families and neighbors in need.

Find more information on our website here: [Local Links](#).

With gratitude and dedication,

Dr. Clifford Burns
Acting Superintendent of Schools
Flemington-Raritan Regional School District
