Restaurants with November 2025 SNAP card holder benefits:

- I've heard of some restaurants giving free or reduced meals for people with SNAP cards. **Olive Garden** and **Red Lobster**, and a list of some in North or South Jersey; some in Sayreville doing meals for kids…

Services:

- **DoorDash**, the nationwide delivery app, is waiving all delivery and service fees on one order for people who connect their SNAP EBT cards to their DoorDash account.
    - To redeem the discounts, visit the DoorDash store page for the participating grocery store of your choosing. Use promo code "**SNAPDD**" at checkout. Once the order is placed, no delivery or service fees will be charged. The discount can only be used once, and the promotion only runs through November, ***or while funding lasts***.
    - Participating grocery stores: (many). https://about.doordash.com/en-us/news/new-grocers-snap-response

- **Instacart**: anyone who used their SNAP EBT card in October to place an order in Instacart will receive a message from Instacart about getting a one time 50% off discount during November.

- **"Zip Co**., a "buy now, pay later" app, said Friday it will offer temporary, no-fee installment payment options for SNAP recipients who need help buying groceries if the government doesn't make payments on Nov. 1. Eligible customers need to fill out a form in the Zip app, the company said."
