PROPOSED RATE	$0.7575	$0.4536	**$1.2111**

ESTIMATED TAX IMPACT

If approved, the estimated maximum tax rate is not expected to increase in Taft ISD.

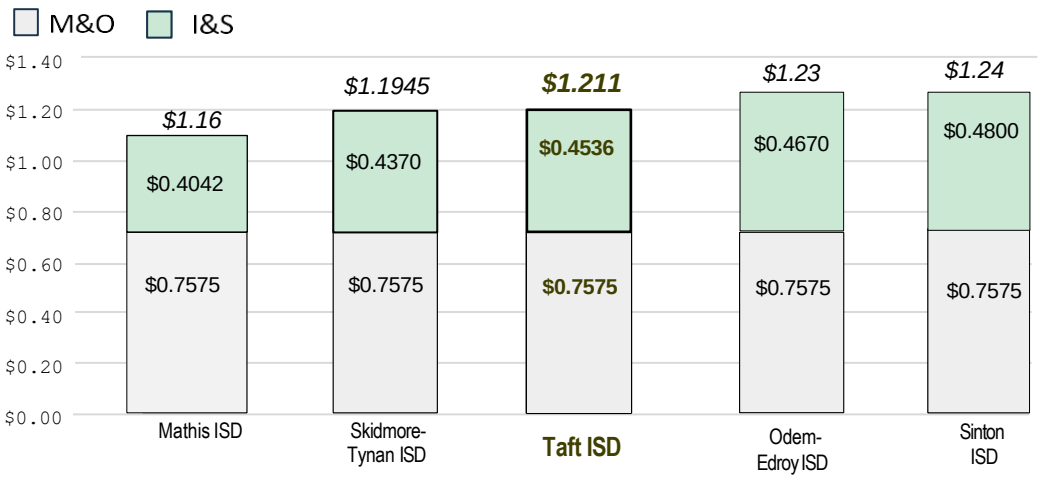

APPRAISED HOME VALUE	STATE MANDATED HOMESTEAD EXEMPTION	TAXABLE VALUE	CURRENT ANNUAL AMOUNT	PROJECTED ANNUAL INCREASE
$100,000	($100,000)^	$0.00	$0.00	$0
$150,000	($100,000)^	$50,000	$606	$0
$200,000	($100,000)^	$100,000	$1,211	$0

^ The current State-mandated homestead exemption is $100,000. On November 7, 2023, Texas passed a Constitutional Amendment to increase the state-mandated Homestead Exemption from $40,000 to $100,000.

EXEMPTION FOR RESIDENTS 65+

By state law, Taft ISD property taxes on homesteads for citizens age 65 or older would not be affected by the bond election as long as the appropriate exemption applications have been filed with the local appraisal district.

HOW DO WE COMPARE TO SURROUNDING DISTRICTS?

The Taft ISD Board of Trustees voted unanimously to put a $47.9 million School Bond Referendum on the May 4th ballot. If approved, the bond measure will provide a new high school campus, multiple upgrades, and improvements to district facilities.
