In the course of your student's education, we may use other educational applications and tools. USD 393 will review the applications to confirm the applications and tools comply with the policies of the school district.

Using these tools, students collaboratively create, edit and share files and websites for school related projects and communicate via email with other students and teachers. Applications available at school are also available to the student through their school issues device where internet access is available. School Staff will monitor student use of Apps when students are at school. Parents are responsible for monitoring their child's use of Apps when accessing programs from home. Students are responsible for their own behavior at all times. Examples of student use include; showcasing class projects, building an electronic portfolio of school learning experiences and working in small groups on presentations to share with others.

**Technology use in Solomon School District is governed by federal laws including:**

**Children's Online Privacy Protection Act (COPPA)**

COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. By default, advertising is turned off for Solomon Unified School District 393's presence in Google Workspace for Education Plus ([https://workspace.google.com/terms/education\\_privacy.html](https://workspace.google.com/terms/education_privacy.html)). USD 393 will strive to choose applications which do not collect data for commercial purposes. This permission form allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for education purposes. - COPPA – <http://www.ftc.gov/privacy/coppafaqs.shtm>

**Child Internet Protection Act (CIPA)** The district is required by CIPA to have technology measures and policies in place that protect students from harmful materials including those that are obscene and pornographic. This means that student mail containing harmful content from inappropriate sites will be blocked. - CIPA – <http://fcc.gov/cgb/consumerfacts/cipa.html>

**Family Educational Rights and Privacy Act (FERPA)** FERPA protects the privacy of student education records and gives parents the rights to review student records. Under FERPA, schools may disclose directory information but parents may request the school not disclose this information. - FERPA – <http://www.ed.gov/policy/gen/guid/fpco/ferpa>
