2025-2026
CALENDAR

WELCOME to the 2025-26 school year!

Cornwall-Lebanon School District is pleased to provide you with this District Calendar of Events. We encourage you to take a few minutes to review the front pages to learn how to easily navigate the District website to locate a wealth of resources, including school policies and information specific to each building.

Contact information for all District administrators and schools is listed on the back cover of this calendar. The back cover resource listing will assist you in identifying the most appropriate person to contact if you have questions, concerns, or comments about school district matters.

Stay current with District and student news by following Cornwall-Lebanon School District on our social media sites (Facebook and "X"). Parents will receive important communications directly from their child's building administrator via the Message Center in CLSD Skyward Parent Access. Also, parents/guardians are encouraged to verify their contact information in Skyward to ensure phone calls, text messages, or emails issued from the District are received. Refer to the Emergency Notification System section in the next column.

Parent and community support at Cornwall-Lebanon School District is an integral part of maintaining a successful school district with high quality academic and extra-curricular opportunities for students. The continued support you provide for the students in Cornwall-Lebanon School District is greatly appreciated. Families and community members are encouraged to attend school district activities, as feasible.

Please know that at any time we may need to alter any of the athletic, extra- or co-curricular offerings published in this year's calendar. Check the online calendar at www.clsd.k12.pa.us for the most up-to-date status of events and activities.

Thank you for your support of the students in the Cornwall-Lebanon School District. Let's enjoy a great year of learning and growing together!

Sincerely,

Philip L. Domencic, Ed.D.

Inclement Weather Notification System

Cornwall-Lebanon School District uses an emergency notification system to share inclement weather and other important alert information with student families. Notifications can only be as accurate as the information you (parents/guardians) have provided to the District. When you log in to Skyward Family Access and are asked for account verification, complete all four steps and update your email and phone numbers, if needed. Be sure your personal device settings allow (do not block or send to spam) emails from @clsd.k12.pa.us, text messages from 98900, and calls from: (717) 272-2036.

Also, be sure to allow the phone number from your child's or children's school building(s). Please update your contact information in Skyward Family Access anytime you move or change email addresses or phone numbers throughout the time your child(ren) is/are enrolled in the District. **Download the CLSD App!**

Inclement Weather Procedures

The decision to close school or open two hours later will be announced before 7:00 a.m. via phone/text/email and on local radio and TV stations listed below. It also will be posted on the District Home page: www.clsd.k12.pa.us and on our Facebook and "X" social media accounts. When adverse weather conditions develop during school hours, the stations will be advised and will announce the time of dismissals. Please do not place calls to the school because the telephones may be needed for emergencies. **Consult the CLSD homepage for current information and important announcements.**

Parents are urged to devise and discuss a plan of action for young children when no one is home during early dismissals or delays.

Television Stations:

WGAL Channel 8 (NBC)
WHTM Channel 27 (ABC)
WHP Channel 21
WPMT FOX 43

Radio Stations:

WLBR AM 1270
WILBuR FM 99.7
WFVY FM 100.1

*A message also will be sent in the event of a late start, unscheduled early dismissal or school closing.

In the event school is delayed for one (or two) hours, student transportation drivers will pick up students at their scheduled bus stop one hour (or two hours) later than the usual time posted in Skyward for your child(ren).

Weather Make-up Days

If weather make-up days are needed during the 2025-2026 school year, they will be used in this order: (1) Friday, Feb. 13, 2026; (2) Tuesday, April 7, 2026; (3) Thursday, April 2, 2026; (4) Monday, April 6, 2026.

Flexible Instructional Days (FIDs)

Cornwall-Lebanon School District is committed to providing in-person instruction for its students, but understands that winter weather conditions may occasionally require alternative approaches. In such cases, the district may utilize Flexible Instructional Days (FIDs) as a way to deliver instruction in a non-traditional manner. FIDs are designed to allow public schools to adapt to unexpected circumstances that prevent traditional in-person instruction.

The District has built weather make-up days into its school year calendar, and will use FIDs as needed when all built-in weather make-up days have been exhausted. The decision to utilize a FIDs day would be made in advance in order to provide notice to parents/guardians and allow teachers to have time to prepare meaningful lessons.

Concern Resolution Process

From time to time, concerns and/or complaints arise that require a process for reconciliation. In these instances, the individual with the complaint should seek a remedy with the party most directly involved, i.e., teacher, bus driver, or administrator. If some mutual resolution cannot be reached, the complaint should be addressed to the building principal. In the event the problem still remains unsettled, contact should be made with one of the directors, or the Superintendent. Concerns that are not reconciled at this level should be directed to the Board of School Directors for their consideration.

CLSD Budget

In Pennsylvania, public school districts are required to adopt a final budget by June 30 of each year. The process is governed by Act 1 of 2006, which sets the maximum percentage increase for real estate taxes without a voter referendum or approval from the Pennsylvania Department of Education. The maximum percentage is calculated based on statewide averages and adjusted for each district's market value and personal income aid ratio.

Each year, school districts must choose to either adopt a preliminary budget by 90 days before the primary election or adopt a resolution stating that taxes will not be increased above the maximum percentage by 110 days before the primary election.

For information concerning the 2025-26 General Fund Budget for Cornwall-Lebanon School District, visit the District website under **Services->Business Office->General Fund Budget**.
