

PowerSchool Parent Portal Website

PowerSchool Parent Portal gives **parents and students** access to real-time information, including attendance, grades, detailed assignment descriptions, school bulletins, forms, and even personal messages from the teacher.

Everyone stays connected: Students stay on top of grades; parents can participate more fully in their student's progress.

Parent/Guardian:

To use the Parent Portal Website or the PowerSchool Mobile App, Parents must first create a Parent/Guardian Account and then link the account with their student(s) using the Access ID and password provided by the school. You can link all your students to a single Parent/Guardian Account.

Student:

Students will need to click the **Student Sign In** button and log in using their school-issued Google Account.
