There's no better place to be than Scouting!

Youth that participate in Cub Scouts show significant increase in cheerfulness, kindness, obedience, and trustworthiness compared to their peers who are not Scouts.

Youth in the program develop lifelong skills of Leadership, Character, Citizenship, and Fitness.

Those who achieve their Eagle Scout rank are 55% more likely to hold a leadership position in the workplace than those who did not participate in the program, and 76% more likely to hold a leadership position in the community.

**There are units in your area that meet
Tuesday -Thursday at a time
convenient for your family!**

Each unit meets one of these nights a week.
