

NOVEMBER ECLC NEWSLETTER

October Recap

FRIENDS AND FAMILIES

In October, children explored the world around them by learning about the relationships that surround them. They gained an understanding of how families can be unique and have members of all sizes and ages. Students were also exposed to the various types of pets a family can have, and the responsibilities that come with caring for a pet.

Lastly, children became familiar with different community helpers and the impact that they make in our daily lives throughout our community. Students were able to read about, dress up as and even meet some of our own Cotulla community helpers!

What's Ahead

HELPFUL, HAEALTHY, AND SAFE

For the month of November, classrooms will focus on how to be a helpful, healthy, and safe friend. Children will explore healthy habits and show kind actions to one another. They will practice showing compassion and kindness to the people around them.

Upcoming

- Meet the Fire Dept. @ 9:30 on November 3rd
- Meet the SRO @ 9:30 on November 5th
- Early Release November 21st @ 3:30

SUPPORTING YOUR CHILD'S LEARNING FROM HOME
