Braulio Alonso High School

Home of the Ravens

International Baccalaureate World School 2025-2026 Profile

School and Community

Hillsborough County Public Schools is the seventh largest school district in the country, enrolling well over 200,000 students (K-12). Braulio Alonso High School opened in the fall of 2001. Today our enrollment is 2,896 students and we are a CEP school with all students receiving free breakfast and lunch. During the 2020-2021 school year, Alonso High School became the fifth high school in Hillsborough County to have an International Baccalaureate Program. The first class of Alonso IB students graduated in 2024. Braulio Alonso High School is accredited by the Southern Association of Colleges and Schools (SACS) and earned an “A” rating for the 2024-2025 school year by the Florida Department of Education.

Grading Scale (4.0)

A = 100-90 **B** = 89-80 **C** = 79-70 **D** = 69-60 **F** = 59-0

GPA & Transcripts

The grade point average is cumulative and includes high school courses taken in 7th and 8th grades as well as courses taken in grades 9-12. All courses taken are included in the computation of the GPA. All Pre-IB and Honors courses are designated by an H or Y in the course flag column of the transcript and earn an extra weight of .04 per semester per course. All Dual Enrollment, AP, AICE and IB courses are designated by a Z in the course flag column and earn an extra weight of .08 per course per semester.

Rank in Class

IB students are ranked among all magnet school students countywide. We rank our students countywide because as a magnet school, students are drawn from the entire district.

International Baccalaureate Program Information

The IB program is a magnet program, drawing from 14 public middle schools and 18 private/charter schools in Hillsborough County. Students must apply to the program, and it is intended for highly motivated high school students who fit the IB Learner Profile. We are a four-year program, and all students are full diploma candidates. Ninth and tenth grade is pre-IB with all 9th graders taking Inquiry Skills. During the junior and senior years, students take three IB classes at the standard level (SL), three at the higher level (HL), and Theory of Knowledge. Our students attend IB classes with other IB students as well as elective classes with traditional program students. We are on a block schedule where students attend four classes per day with a total of eight classes in their schedule. We offer a built-in, highly structured, and academically focused study hall as one of those classes. As a result, our students can participate widely in sports, student government, honor societies, vocational organizations, and service clubs. Students can also elect to take traditional electives such as band, orchestra, theater, or vocational electives with traditional students in lieu of the full study hall. In addition to the coursework listed below, each student must complete 150 hours of CAS (Creativity, Action, and Service), and write two independently scored essays. One is 4,000-word, independent research paper referred to as an Extended Essay (EE). The other essay is linked to the Theory of Knowledge (TOK) course. Students take written exams for each Diploma Program IB course (SL or HL). The IB Diploma is awarded during the first week of July after graduation.

IB Diploma Pass Rate

Class of 2024	84 %
Class of 2025	80.6 %
