■ Student must download the app to their cellular device to use the platform. ■ On a school device or personal laptop, student can access Focus through Clever or the HCPS hubb.		

Steps to view Report Card grades:

Step 1: Go to HCPS Hub (ClassLink). The HCPS Hub link can be found under Clever: HCPS Hub. Select **"Focus" (the owl icon).**

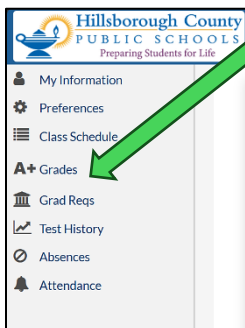

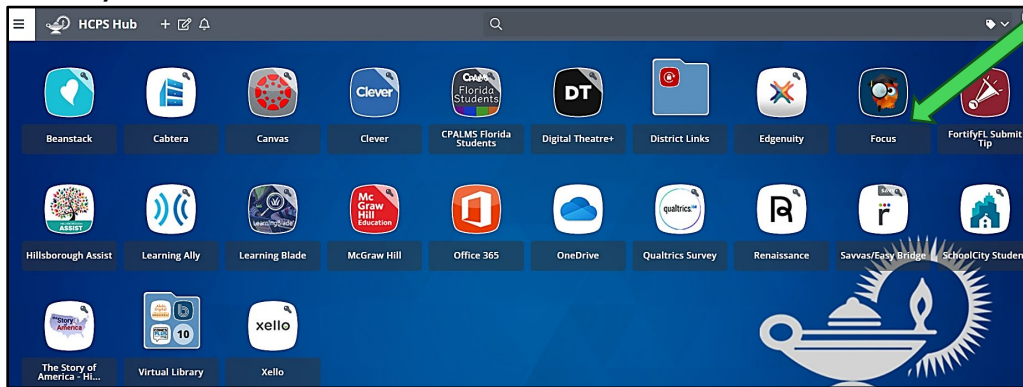

Step 2: Your homepage will have District & School Announcements in an orange tab across the top. On the left navigation pane, select **"A+ Grades"** to see your quarter grades. Be sure to choose the current year you want to view. The Grade Summary displays the student's schedule including the Pd (Period), Course Name, Teacher, Course Flags, Attendance information (Ex, Unx, and Tardy), and grades for applicable marking periods such as Q1, Q2, S1 , etc. and credits earned for each course.
