

Be Respectful. Be Responsible. Be Engaged.

Welcome Back and Congratulations, TBK8!!!

We are officially an A School for the first time since 2015!

I couldn't be prouder of our incredible group of students and the hard work each of you committed into making this happen. Every single one of you played a vital role and are equally responsible for reaching this major milestone. And to the parents and guardians who work tirelessly and make the necessary sacrifices to make sure our students are respectful, responsible, and engaged every day...thank you! This is not possible without your support.

Welcome to Camp TBK8 – An Adventure “A”waits!

Now, are you ready to do it again? Our theme this year is Camp TBK8, An Adventure “A”waits! We are a bit behind schedule preparing our camp site as we are not expected to return to our offices until July 28. But the good news is that the A/C renovation, track resurfacing, and basketball/pickleball court upgrades are expected to be completed before school begins. This is exciting news and upgrades we all look forward to the new school year with “A” recognition and status! In the meantime, please call Benito Middle School, Monday-Thursday for any questions.

And even though we appreciate their hospitality, we're still going to crush Benito in every academic, performing arts, and sporting event this season!

We are just getting started TBK8!
