Reek School (also known as Linn Joint 6 School District) seeks an experienced early childhood educator to lead our 3K preschool program. We run a play-based, tuition based preschool from 8:15am-11:30am, Monday through Friday. The ideal candidate would be collaborative with a background in play based learning. We have a strong family component to our program, so a candidate that embraces family involvement and is strong in family communication is ideal.

Reek School is located between Lake Geneva and Fonanta blocks away from Geneva Lake. Our grounds include an early childhood outdoor classroom. As a 3K-8th grade district we have a reputation of academic excellence and are well known for our core values of excellence, respect, and community. Our small, dedicated staff consists of about 25 full and part-time dedicated educators. The student body hovers around 160 students with about 50% coming from open enrollment. Our stakeholders take pride in our small, rural school. Our families love to be involved in our school community through our active School Club and volunteering opportunities.

Candidates with experience in preschool, childcare, and early learning initiatives are encouraged to apply.
