

## Camanche Community School District

As a requirement from Senate File 2272, school districts are asked to report health insurance information to the public. The following information will fulfill that requirement.

Camanche Community School District provided a partially self funded health insurance plan to its employees until the 2006-2007 school year. On July 1, 2006, the district changed to a premium paid Wellmark Alliance Select Policy with a split funded concept handled by P.R.I.M.E. Benefit Systems.

All fulltime employees are offered a fully district paid single policy under the HMO plan. Otherwise fulltime employees have the option to participate in the PPO plan for \$79.73 per month. All fulltime employees who elect to have a family policy must contribute \$220 per month towards the premium cost of the HMO plan or \$417.02 per month towards the premium cost of the PPO plan.

The rates for the 2022-2023 school year were as follows:

\$768.72 per month for a single plan

\$1,679.50 per month for a family plan

The rates for the 2023-2024 school year are as follows:

\$768.72 per month for a single plan paid by the District

\$1,679.50 per month for a family plan paid by the District

The deductible purchased from Wellmark is \$3,000 for single policy and \$9,000 for family policy. The district funds that purchased deductible down to \$1,000 for single policy and \$2,000 for family policy. The difference in deductible is administered by P.R.I.M.E. Benefit Systems.

The Out of Pocket maximum for a single plan is \$2,000 and \$4,000 for a family plan. The prescription drug card has co-payments of \$8/\$35/\$50/\$85 depending upon the prescription. However, the fourth tier of \$85 will be funded by the Plan to \$50. Covered services are paid at 90% for participating providers and at 80% for nonparticipating providers. The office visit co-payment is \$30. The emergency room co-payment is \$250.

Starting the 2012-2013 school year, the District will be contributing into a Health Reimbursement Account (HRA) for each employee covered by the District's health insurance plan. The contributions will be \$0 for single and \$0 for family for 2023-2024 plan year.
