**NOTE ABOUT INSIDE SHOES:** Students in Grades 4, 5, & 6 are not always the best about having a pair of outside shoes, mud boots, or snow boots, so in an effort to keep our school as mud-free as possible, the students in these grades are **asked** to bring a pair of comfortable INSIDE shoes that can be worn EVERY DAY to EVERY CLASS with the exception of gym. The shoes can simply be an extra pair of tennis shoes, a pair of slides, a pair of crocs, or even slippers as long as they do not have fabric bottoms or bottoms with slip-resistant fabric dots.

Whatever shoes the student wears to school will be considered OUTSIDE shoes and will be worn at recess come rain, snow, or shine.
