

Veteran's Day Stars

In honor of Veteran's Day, we would like to honor our family members who have served to keep us safe and free.

If you have a veteran in your family you would like to have recognized, please have your child fill in and decorate this star to share and display in our classroom.

Photos are also appreciated!
Any photos sent in will be displayed alongside the veteran's star and will be returned.

Thank you for your participation!
We look forward to honoring your loved one.
