MRS. GREIVE'S CORNER

Dear Families,

Reading is the key to learning! Everything we do involves reading. We have to be able to read numbers, letters, words, and sentences. Here are some ways to encourage your child to read at home:

- Complete journal books from the LPS Media Center. Students earn rewards!
- Provide time and space for an adult to read to your child and for your child to read independently.
- Ask your child what topics, events, or activities he or she likes. Then look for books, magazines, or other materials about the topics to motivate your child to read.
- Visit the public library. Students are able to obtain a FREE library card.
- It is helpful for children to see other people reading at home.
- Start a family book club. Let different members of the family pick the book. This could be a good way to enjoy quality family time while experiencing the joy of reading together!

We will have school pictures next week. Remember, we are not in school on Monday, Sept. 4 in observance of Labor Day. Enjoy your 3 day weekend!

Yours in education,

Mrs. Greive
