MRS. GREIVE'S CORNER

Dear LPS Families:

We had our Valentine's Day celebrations on Wednesday. Students had a great time giving and receiving valentine cards. Their valentine boxes were AWESOME. Thank you to the families for your assistance and donations!

We recognized the students who made the January Top Tiger Club this week. Students are eligible for the Top Tiger Club each month that they are present in school for the entire month with no tardies. Please see the full list of recipients attached to this newsletter.

Students participated in Jump Rope for Heart during gym classes over the last two weeks. We have raised \$ 1,670 to donate to the American Heart Association. Our goal was \$1500. Thank you for the support!

The kindergarten and second grade students completed the CogAt test this week. This test measures the cognitive development of students and their learned reasoning abilities. The CogAt test incorporates three types of reasoning skills: verbal, quantitative, and nonverbal. We will share results with families when we receive them.

Just a reminder that we have an e-Learning day on Friday, Feb. 16th for staff professional development. Students will complete their school work on their iPads. All assignments are due Tuesday, Feb. 20th at the

MONTHLY CHARACTER TRAIT

The character trait for the month of **FEBRUARY** is "Fairness. Fairness is treating others equally, and not blaming others for your mistakes.

Think about how your actions will affect others. Do you treat others the way you want to be treated?

Fairness means playing by the rules, taking turns and telling the truth.

Parents, here are some things you can do at home to help your children understand the concept of fairness.

- Talk with your child about the importance of being fair with others. If he/she knows that it is important to you, it will lead to stronger friendships.
- Discuss television programs that you watch with your children and point out what people did or didn't do fairly.

Open Positions

We are looking for individuals to join our LPS team. We have the following openings:

Presidents Day

Monday, February 19, 2024

Presidents' Day is a federal holiday celebrated on the third Monday in February; Presidents' Day 2024 will occur on Monday, February 19th. Originally established in 1885 in recognition of President George Washington, the holiday became popularly known as Presidents' Day after it was moved as part of 1971's Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation's workers. While several states still have individual holidays honoring the birthdays of Washington, Abraham Lincoln and other figures, Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents, past and present.

DID YOU KNOW?

There were four presidents born in February including George Washington, Abraham Lincoln, William Harrison and Ronald Reagan.
