All ages are welcome for our weekly storytime! Books, songs, rhymes, games, puppets, and activities to surround our early readers with everything they need to start school on the right foot.

THIRD THURSDAY @5:30

BOOK CLUB

We pick a new book to read and chat about each month. Didn't finish it? Didn't like it? Join us anyway! Pick up a copy of the book at the library, and come back on the Third Thursday to discuss.

Our book for April 18 is *Finlay Donovan is Killing It* by Elle Cosimano

SAT APRIL 20 @1:00-3:00

PUZZLE CONTEST

Taking place in the Elmwood Auditorium. 500 pieces, teams of four, and two hours each! Who can do it the fastest? Who can work best as a team?

Puzzles will be provided and can be taken home by each team. The winning team will get an additional, brand-new puzzle to take home!

Eclipse Viewing

April 8 1:00-3:00pm

All ages welcome! Free eclipse viewing glasses, a livestream of the eclipse from around the country, and astronomy games & activities.

Director's Notes

Whether or not you are a puzzler yourself, I'm sure you have seen and can appreciate the talents of the inestimable Carl, known to most of us as Butch! He got a huge 2,000 piece puzzle done *almost by himself* in March. On April 20, however, you get a chance to work on a puzzle as a TEAM. I will have a bunch 500 piece puzzles, and teams of up to 4 will have up to 2 hours to get their puzzle assembled. Start recruiting your friends and family! All ages will be welcome.

We also get to view the eclipse on April 8, which I am very excited about! Join us on Monday, April 8 from 1:00-3:00 to pick up a pair of eclipse viewing glasses and see what the eclipse looks like across the country. We won't see the WHOLE sun disappear, but it will still be a cool sight – that you should NOT try to look at without the proper gear! Come by to see this solar event safely and catch some facts about astronomy while you're at it.

NEW AND NOTABLE TITLES

Many of these titles will go first to people who request them in advance, so reserve your copy today or come in to the library and we can help you out!
