ERIN'S LAW PRESENTATIONS

February 21, 2024

Dear Parent(s)/Guardian(s),

Every year, Illinois public schools are mandated to provide safety and abuse education under Erin's Law. Safe Journeys, a local community organization, provides prevention and education services to our students meeting this state mandated requirement. We are grateful to have Erin Broerman from Safe Journeys implementing these services.

Erin's Law will be presented to all students in Kindergarten through 8th grade beginning next week. Each grade level will take part in this program of 5 sessions, 1 weekly at varying times this semester.

Any questions regarding the program can be directed to Ms. Broerman at erinb@safejourneysillinois.org or you can get information at this website: <https://www.erinslaw.org/>

Respectfully,

Julie L. Schultz, Principal
