

STUDENT ATTENDANCE ACCOUNTING

The Board recognizes the importance of student accounting. Accurate information regarding the whereabouts of school-age children, both public and private, is essential to the operation of the school district.

As required by state law, the superintendent will be responsible for an accurate record of the attendance or nonattendance of all students who should be enrolled in school. The school district truancy officer will also keep a record of all those children who are required by law to be enrolled in school and who do not attend, or whose attendance is irregular.
