F. FUNDRAISING: OUR GOAL IS TO MAKE CHEERLEADING ACCESSIBLE AND AFFORDABLE TO EVERYONE!

- a. **Cheer cannot occur without fundraising.** It is crucial that each member participates in the required fundraising activities.
 - i. **Individual Fundraisers:** An individual fundraiser is a fundraiser where money goes specifically towards the cheerleader. *Individual fundraisers will be offered beginning in April!* An example of an individual fundraiser would be Program Ad Sales, the **POPCORN Fundraiser** or the **Calendar Fundraiser**. **Any funds raised during an "individual" fundraiser will be deducted from the Spirit Pack cost for that individual member. This means, a cheerleader can pay off the ENTIRE cost of their Spirit Pack COMPLETELY with fundraising!** If a candidate raises

more money on an individual fundraiser that is owed to the program for Spirit Pack costs, that money will be put into the Cheer Club General Account to cover miscellaneous expenses.

- ii. **Team Fundraisers:** every team member is required to participate. In order for the program to run properly, we must have team money in the account. This money will be used for items such as but not limited to: game snacks, pregame meals, Christmas party, end-of-year banquet, etc. Team Fundraisers include but not limited to: Club Fair, Fantastic fundraising card sales, Snack Bar sales, car washes, restaurant fundraisers, and clothing sales. G. FAILURE TO PAY

1. If a team member does not pay by the deadline, the member will not receive gear or equipment which will result in athlete not participating in events.
2. Final payments will need to be submitted to Coach at practice on the first day of school. Any payments that are not made will become debts in the system starting the second day of school.
3. If a team member remains on the team but does not pay by the set due date, **the team member may be benched until account is up-to-date on all payments. The member is still responsible for payments once items have been ordered even if the member quits or is dismissed from the team.**
4. If a team member quits or is dismissed from the team after spirit items have been ordered, they are still responsible for paying off their balance. Due to the fact that each item is individualized each year and ordered in the sizes designated by the member, the items are non-refundable and will become debts through the system. Competition fees are non-refundable regardless of eligibility at time of competition.
5. **Debts:** Having a debt means that the student will be ineligible to purchase and attend school-sponsored functions, such as the Homecoming Dance, Winter Formal Dance, and Prom, until the debt is paid off.

- a. A cheerleader may be benched from a game or performance due to behavior, attendance, grades, or other reasons. Being benched means that the team member may be required to sit out of dance/cheer performances, including quarter and/or halftime performances. However, a cheerleader may still be required to stunt during the performances in order to not affect other team members.
- b. If a cheerleader is benched, they are still required to attend the game/performance on time and in complete uniform.

- d. If a cheerleader is dismissed, they must turn in their uniform within one week, or the uniform will be debted to their account.

DISCIPLINES, SUSPENSIONS AND DISMISSALS ARE AT THE DISCRETION OF THE HHS CHEER COACHING STAFF

VIII. CELL PHONE POLICY

- a. Cell phones must be off and out of sight during school hours at Hesperia High School. As leaders on campus, it is expected that a cheerleader obeys all school rules, including the cell phone policy.
- b. Cell phone usage, texting and photo/video taking are a distraction during cheer practices, games and events and will not be permitted. Cell phones will be asked to be put away on silent and may be collected prior to cheer practices and functions to prevent unauthorized photo and video taking/sharing. Parents need to be aware of this policy. Team members must ask to use their phone and will be asked to step out during use. In an emergency, parents may contact the coaches during a cheer function. Failure to do so will result in disciplinary action.
- c. Coaches are to be contacted via email or through the designated contact site. Text messages to coaches should only be used in case of an emergency.
- d. Members will be sent text messages/emails/called from coaches, captains, or combination of both. All messages are to remain professional at all times. All text messages/emails/calls are to occur between the hours of 6:00am – 8:00pm. Only emergency texts/phone calls are to be made out of the designated time frame.

IX. FOOD AND DRINK POLICY

- a. Being a part of the cheer team means being an athlete. Please consider all food and drink options as an athlete to properly fuel your body. An athlete should also eat meals and/or snacks throughout the day. If at any time a coach, a staff member, or member of the team feel that there is an eating disorder taking place, the appropriate authorities will be contacted immediately.
- b. **Practices** – There is to be no Gum, Candy, or eating during practice times. Food/Soda are NOT allowed in any practice area. Water and Gatorade/Sport Drinks are allowed only.
- c. **Games/Performances/Events** - There is to be no gum allowed during a game/performance/event. Food is only allowed at the designated times (such as halftime after performances).
- d. If gum or food is out/seen during times it is not allowed, the cheerleader will have to condition after the game/performance and could possibly be benched.

X. INJURY

- a. All precautions are taken at practice. However, accidents do occur. If a cheerleader gets injured at practice, it is crucial that the cheerleader informs the coach as soon as the injury takes place. The athlete will then be sent to the on-site Athletic Trainer to evaluate the cheerleader. If the injury is deemed serious, a phone call home will be placed. Make ensure that the phone number on the student's physical form is accurate.
- b. If a member needs to go to the doctor, the doctor may complete a pre-designated sheet of clearance that the team member received either from coach or the Hesperia High School's athletic trainer. A doctor's note received from the doctor must clear the athlete to return to PHYSICAL ACTIVITY. A note that clears a student to return to school does not clear the student to return to cheer.
- c. Notes must be signed by a doctor, and not a nurse or P.A.
- d. Team members on a medical/injury leave are required to attend and dress for all practice games, events, and functions unless prior approval is given ahead of time by the coach and documentation had been provided.

XI. TRANSPORTATION

- a. All athletes must travel to and from athletic events in transportation provided by the athletic department. In extreme situations an athlete may request permission from the athletic director to ride home from a contest with a parent/guardian by completing a Parent/Guardian Responsibility Form. This form requires signatures from parent/guardian, coach, and the Athletic Director and must be submitted to the Athletic office 48 hours prior to the start of the event. The exceptions to this protocol are traveling to schools within the Hesperia Unified School District with the approval of the Athletic Director. The Parent/Guardian Responsibility Form is available in the Athletics Office. For further information please contact Athletic Department at 760-244-9898 ext. 3911
- b. If a member is late for ANY away bus or car pool, they will be left behind and will result in an absence from a game
- c. Some cheerleading events go late into the evening. When the team is dismissed from events, such as Friday night football games, away games, competitions, etc., the coach will remain with the cheerleaders until the last member is picked up. Team members must be picked up within 15 minutes of being released. If a member is still not picked up after 15 minutes, the police may be called. It is the responsibility of the parent/guardian to arrange for a ride home for the cheerleader.

- XIII. CAPTAINS:** Captains will be selected by the advisor/coach, based on leadership skills and prior dedication to the squad. Only members who display respect for the team and have respect from the team will be considered. All squad members are expected to treat their captains with their full cooperation and respect. *Assignment of captains is at the discretion of the coaches.*
- Being a captain is a privilege that can be revoked by the Coaches if the Cheerleader does not meet the requirements of the squad. In addition to following all squad requirements outlined in this contract, all captains are also required to:
 - Attend ALL games and practices on time
 - Be a leader and positive role model for all other members. This includes being uplifting and supportive of members, being excited to attend all practices and games, and stressing the importance of maintaining good grades
 - Supporting and enforcing the rules set by the Coaches without argument or attitude
 - Failure to abide by the additional responsibilities of Captain could result in removal of the position.
- XIV. PARENT INVOLVEMENT**
- The most important contribution a parent can make to the team is support towards your cheerleader, coaching staff, and the rules and regulations set in place for the team. Please help instill in your cheerleader the importance of commitment, responsibility, discipline, punctuality, dependability, trust and respect for each other, their community and their superiors.
 - Parent involvement and support is key to any successful cheer program. Parent volunteers are needed to help in fundraisers, chaperones, transportation, and "half-time" snacks.
 - Practices are closed. (sorry parents) Family members (including parents and siblings), friends, boyfriends/girlfriends are not permitted to attend for any reason. If an extreme situation arises, please notify coaches and certain accommodations can be made.
- XV. CHEER COACH/ADVISOR**
- It is the cheer coach(es) responsibility to maintain a well-respected program; in order to effectively run a respected program it is the coaches responsibility to, but not limited to: adopt and execute a comprehensive and safe program, approve all cheer/dance routines, material, and music prior to public display, keep attendance, see that the team members abide by the HHS Scorpion Cheer Rules and Regulations as well as HHS Student Conduct Codes, set and uphold disciplines, advise team members/ authorities/ parental figures/etc. whenever necessary, and any other duties deemed necessary.
 - ALL COACHES ARE MANDATED REPORTERS!
- XVI. ATHLETIC PHYSICAL EDUCATION CLASS**
- Coach Walker will have a 6th period Athletic P.E. class for Cheerleaders. Students in this class will receive physical education credit (therefore being exempt from general P.E.). If the student has already completed the required two years of physical education, they will receive elective credit for the course that will count towards graduation.
 - Please ensure that when you register, you inform your counselor that you are trying out for the cheer team. Only members that are on the team will be allowed into the class.
 - It is crucial that every member is in this class. The purpose of this class is to eliminate the numerous hours spent after school practicing. Although after hour practices will still be required, the amount of those practices and length of those practices will be significantly decreased due to the hour of practice built into the students' schedules during 6th period. This class is mandatory – however, the coaching staff understands that this may cause scheduling conflicts for some students. Please speak to Coach if you have a conflict.

You need to return the following 2 pages (signed) on the first day of tryouts, as well as the three teacher evaluations!
