## Community Consolidated School District No. 160

### A Message From Dr. Landgraf

The school board participated in two strategic planning sessions during the months of September and October to plan for the future of MCCSD #160. Through these discussions, the following essential pillars of the school district were identified (**listed in bold**). The priority action items to be considered are bulleted. The school board is excited to present the 2023-2026 Millstadt School District Strategic Plan.

**Millstadt School District #160 provides opportunities for all students to meet high academic achievement.**

- Continue to monitor curriculum implementation and effectiveness of curriculum
- Seek to implement encore/exploratory classes in grades 6-8
- Continue technology advances including 1-1 devices for students

**Millstadt School District #160 will recruit, retain, and support highly effective staff members.**

- Consideration of administrative succession
- Maintain high quality staff with staff retention
- Provide professional development opportunities with mentorship program for new staff

**Millstadt School District #160 facilities are maintained in high quality, opportunities for expansion are pursued, and school safety is continuously advanced.**

- Explore facility upgrades
- Consider school resource officer
- Develop property/MPC farm ground
- Establish head of maintenance/maintenance supervisor

**Millstadt School District #160 will be fiscally responsible**

- Maintain balanced budgets
- Achieve fair contracts for upcoming negotiations (2025 MTA and 2025 Custodial)
- Debt usage strategy
- Maintain or reduce tax levy
- Class size strategy consideration

**Millstadt School District #160 offers a broad range of extra-curricular activities that are utilized by students**

- Explore additional extracurricular offerings for students

**A strong partnership between the community and Millstadt CCSD #160 is essential.**

- Active partnership with police department
- Utilization of parent volunteers
- Improve district website with current and easily accessible information

## November Optimist Student of the Month

The November Student of the Month is Easton Blair. Easton is the son of Brian and Jen Blair. He participates in Cross Country, Basketball, Track, Student Council and Beta Club. During his free time he enjoys sports and watching movies. In the future, Easton hopes to get all A's, go to college at Notre Dame and get a good job. Congratulations, Easton!

## Math Team

Some members of the math team competed this weekend at the feeder school contest at Belleville West.

Representing the 8th grade were Mylee Davis, Annabelle Brunner, Kaden Copling-Jaroengarm, JT Millton, Eli Seneczyn and Jayden Richardson. Annabelle tied for third place but lost the position due to a tie-breaker, so she and Kaden received Honorable Mentions for their fine scores. Mylee tied for 1st place but came home with a 2nd Place Medal due to a tie-breaker question. The eighth grade team brought home the 2nd place trophy!

Our lone 7th grade representative was Myles Kurfman but he did not disappoint, he captured the 1st place medal in the 7th grade division!

All members worked on a team test and earned second place for their efforts.

A fantastic job for a hard-working group of students. Thanks for making MCS proud!
