

TAG Coordinator's Message

Welcome to the 2023-24 school year! My name is Kelly Dotson, and I'm the Coordinator for the Talented and Gifted (TAG) Services at Siuslaw School District. I always love back to school time! The staff and students are full of excitement and anticipation for the year to come.

I'm looking forward to ensuring that we serve all students at their own rate and level of learning to reach their greatest potential this year. I've communicated with your student's new teacher, and they are aware of your student's TAG identification and plan.

If your student was identified at the end of the 2022-23 school year, I will be in touch with you after initial assessments are complete to schedule a TAG plan meeting.

If you would like to set up a meeting to review and update your student's TAG plan before conference time please notify me, or your student's teacher. Conferences are scheduled for November 20 and 21.

Please refer to our TAG website for links to district policies, parent rights, our District TAG Plan, and previous newsletters.

Kelly Dotson
