Concert Reminder

4th & 5th grade students will have their spring concert on Tuesday, March 5th at 7pm. Students will need to be at the high school at 6:45 pm. The theme is the Fifties, so I ask students to wear jeans and a solid color t-shirt. If you have other clothing that looks like it is from that time period feel free to have your child wear it but do not feel like you have to go out and buy something. Please make sure whatever your student wears, it is school appropriate.-- Mrs. Clark

Principal Notes:

I am happy to report that our students, across all grade levels, continue to impress with their dedication to learning. It is fun to see them grow academically and embrace new challenges every day. We had fantastic turnout for parent-teacher conferences! Your partnership is invaluable to us and can make a significant difference. Let's continue working together to support our students' success and well-being.

-Dr. Kristy Rodriguez

Happy

Easter

Congratulations Landry Rolfs March Student of the Month

I am so glad that spring is almost here! Our Student Leadership Group Pancake Feed is coming soon & I hope that you can attend. Please put it on your calendar - Thursday, March 28, 2024, from 7:30-9:00am. The SLG students will be serving pancakes, sausage, juice, and coffee. We have great food, and donations raised is used to purchase things at KMS for students. It is a wonderful way to interact with our students. The kids love to have family, friends and community members visit our school. Please, join us. - Mrs. Claassen

STEM Night

This year we are going away from our annual Science Fair and having a STEM (Science, Technology, Engineering, and Mathematics) Night. The actual investigations and preparation will be worked on at Kanopolis Middle School. Groups are welcome to work on ideas and projects outside of class time. Students will be using their creative knowledge they have learned and applying it.

The culminations of our project will be a STEM Night on Monday, May 6th at Kanopolis Middle School in the gymnasium. Times for the STEM Night will be from 6:00-6:45 p.m. Due dates are as follows, but can be done in advance:
