

CENTRAL INTERMEDIATE

News

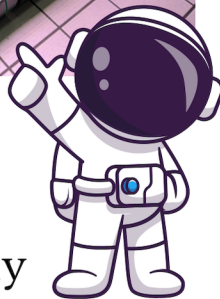

MARCH
2024

by Jamie Guthrie, Assistant Principal, Central Intermediate

Dear CI Families,

What an incredible turnout we had at our Lion of Mars Family STEM night! Thank you to all the families who participated—it was truly a night to remember. Seeing our students and families fully engaged in activities like robotics, LEGO challenges, rocket building, and even smoothie blending on a bicycle was nothing short of inspiring. Your enthusiasm and support made the event a resounding success, and we are deeply grateful. As we reflect on the wonderful experience, we are already looking forward to hosting another One School, One Book event next school year. It's another opportunity for us to come together as a community and share the joy of reading. Thank you for being an essential part of our school community and for your continued support!

GREAT EXPECTATIONS MONTHLY FOCUS

Life Principle

PROBLEM-SOLVING

creating solutions; finding answers

QUOTE

“We cannot solve our problems with the same level of thinking that created them”
-Albert Einstein

EXPECTATION #8

We will practice virtuous living, using the Life Principles.
