All For Books Change Drive

Mon. Oct. 30- Fri. Nov. 3rd

Scholastic Book Fair matches the donations to provide books to the organization “Kids in Need Foundation”. For example, if we raise \$100 our BNI students benefit directly along with Scholastic sending \$100 in books to Kids in Need.

We will take the GRAND total at the end of our coin drive and have daily drawings throughout the next week during the book fair. This allows BNI students the opportunity to shop the book fair and receive a free book. In the Winter, we had donations equaling \$1200 so we provided over 120 students with a free book. This made their day! Our new Goal is \$1500

****Mrs. VanDolah and Mrs. Davidson are HUGE OU fans!! If we meet our GOAL, they will dress in OSU attire from head to toe.**
