

Mid-Del Schools has partnered with the Total Wellness to bring 6th grade students the opportunity to receive immunizations during the school day.

According to Oklahoma Law, students enrolling in the 7th grade are required to show proof of a Tdap vaccination or have a vaccination exemption on file.

The Tdap vaccine will be available for students to receive with parental/guardian consent.

Students who are covered by Sooner Care, VFC Eligible or students with other health insurance will be given vaccines with parental consent. Please attach a copy of the insurance card with the consent, **OR** note the insurance ID number and Group number on the form. Please note HMO insurances will only cover plan approved providers.

All forms must be filled out completely and returned to the school by the date indicated below.

If you have any questions please contact Jessica Jones, District Health Coordinator.

405-671-8615 or jajones@mid-del.net
