WRITTEN REQUEST

The agency requires that requests for access to or copies of records be made in writing, in order to adequately document the request and clarify exactly what records are being sought. All requests for records shall state the requester's name, mailing address, and a contact phone number. The agency will act upon request as soon as possible, with some response being made to the requester no later than the third business day following the receipt of the request. If it appears that additional time will be needed, fees will be assessed, or some of the records may be closed by law, a written response will be provided as soon as the records have been located and reviewed.
