

# SHS Parent Council Membership

Smithfield High School Parent Council is a *volunteer* organization that focuses on service and improvement to our school, home, and community *relationships* by fundraising, hosting events, and showing *appreciation*.

We need your ideas, talents, time, concerns, and *enthusiasm* to help us enrich the high school experience for all our students. This is a great opportunity to *make connections*, give back, and have some fun!

We meet the 2nd Wednesday of each month at 7pm in the SHS Media Center. Meetings allow you to *stay informed*, ask questions and get the facts direct from our principal. Members can contribute in many ways, and we *need* and *appreciate* whatever you can do!

*Which membership appeals to you?*
