Do You Know A 4-Year Old?

Oxford Elementary is hosting a kindergarten readiness night for 4-year olds who will be attending kindergarten next year. The night is an effort to partner with families so each pre-kindergartener has the skills to be successful when they enter school. Families will leave with an activity and a book to practice at home. The first night is planned for Thursday, November 2nd from 6pm-7pm. RSVP's are recommended so the correct number of materials can be prepared.

Junior High Basketball Practices

Junior high basketball practices start this week. The boys will begin Monday, October 30th. The girls will begin on Wednesday, November 1st. Each athlete must have a physical on file in the high school office prior to practice. Don't forget to bring basketball/court shoes, a water bottle, and practice clothing!

Dress Warm!

As your children leave for school this week, please make sure they are dressed for the colder weather. Bus rides, recess, and other outdoor activities are typically part of the school day. Thanks to the Kansas All-Star fund, both OES and OHS have a small supply of new coats and jackets for those in need. To inquire about one, see the school nurse, counselor, or office staff.

October 31st.

OES has several activities planned for Tuesday, October 31st. Elementary parents are reminded to check your SeeSaw messages and backpacks for notes, with details from teachers and administration about what classes will be doing for the day.

Kansas Apply Free Days

Kansas's first Apply Free Days will be held on November 7-9th, 2023, for Kansas residents! During these three days, any Kansas resident, can apply for free at any of our 7 public universities, 19 community colleges, 6 Technical colleges, and the 21 private member institutions of the [Kansas Independent College Association](https://www.kansasregents.org/students/apply-free-days).
