On Friday, February 16th, 2024 from 8:30 a.m. - 3:00 p.m., Oxford Elementary in collaboration with Sumner County Educational Services Interlocal 619, and Oxford Parents As Teachers, will offer a free developmental screening for children, ages **birth through 5 years Old**.

If you are interested in how your child is growing and developing, call the Oxford Elementary office at 620-455-2410, to schedule an appointment!

*Parents of birth to 2 1/2 years old, will meet one-on-one with a provider, to discuss your child's development.

*Parents of children older than 2 1/2 will rotate through four stations of developmental screenings. Please plan to spend about an hour at the screening.

Children who are currently enrolled in Oxford's preschool, or on an IFSP/IEP have already completed a screening and do not need to attend.

This is a partnership between
 Sumner County Educational Services Interlocal 619
 Oxford Parents As Teachers, and Oxford USD #358.
