### **State Assessment Season**

Below are the dates students in grades 3-11 will be taking the state assessments for English language arts, (ELA), math, and science. Sophomores and Juniors also have ACT testing. There are a few things you can do at home to help your child be prepared for success. Make sure they get a good night's sleep, eat a filling breakfast, and give them positive encouragement about their abilities. Finally, have students at school during testing.
