Eclipse Monday

Monday, April 8th is the date of the rare solar eclipse. In our area, about 88% of the sun will be blocked by the moon. The moon passing between the earth and the sun will start to be visible around 12:30 pm with the peak estimated to happen around 1:48 pm. The entire eclipse event will conclude a little after 3 pm.

To be on the safe side, OES students will not be outside for recess during the eclipse. Approved glasses were purchased for groups who plan to go outside to view the event. The baseball and softball games start time was moved to 4:30 pm and the location changed to Burden (*They have field lights*).

Touch-A-Truck

The 2nd Annual Touch a Truck Night will be on Friday, April 12 from 5:30 pm-7:30 pm. Bring the family to see BIG TRUCKS, equipment, and machinery used in our area. Honey & Rue's Food Truck will be serving dinner!

SAVE THE DATE
