DENTAL SAFARI COMPANY, a mobile dental corporation, travels to schools to provide dental wellness checkups, and urgent care treatment, for children of all ages (birth through 19 years).

Dental Safari is coming to Highland Schools during March of 2024!!

DENTAL SAFARI COMPANY is a fully licensed, professional company that believes dental wellness begins with a 3-part approach: Education, Treatment, and Prevention. Your students will receive a visual exam (no x-rays) by a licensed dentist, a cleaning, Fluoride treatment, and sealants as needed.

All Children Are Eligible:

- Children with a **Medicaid / All Kids** Identification number
- Children who are on **free or reduced lunch program**
- Children with **private insurance** (provide information)
- Child with **cash payment** (cash or check)
(\$75 reduced fee includes exam, cleaning, fluoride, sealants as needed)

PLEASE NOTE: *If your child is in Kindergarten, 2nd, 6th, or 9th grade, the State of Illinois does require a dental exam to be on file. This appointment fulfills that obligation.*

Following hygiene services, a letter will be sent home indicating the treatment each child received during our visit as well as follow-up treatment he/she may need.

To take part in this service, **a dental consent would need to be completed and signed. To do so, parents will receive a dental consent form to complete and turn into the school.**

If you have any questions, please contact our office at (618)993-8333.

Sincerely,

Dental Safari Company
