## ESOL Program (English for Speakers of Other Languages)

The mission of the Magazine ESOL program is to equip students with the language skills they need to be socially and academically prepared to be successful students in the Magazine School District.

The district has provided English for Speakers of Other Languages (ESOL) services to English Language Learners (ELLs) for many years.

Currently, the school system serves $1 \%$ ESOL students of the total population.
The ESOL program provides students with the opportunity to reach proficiency in listening, speaking, reading, and writing as measured on the ELPA21.

Contact Delania Smith, ESOL Coordinator for more information.

## School District Goals

- The district will improve their overall ESSA rating to a "B" by the end of the 22-23 school year.
- Each year we will increase the number of students on grade level in reading district wide by a minimum of $10 \%$.
- Each year we will increase graduation rates by at least $2.5 \%$ in order to reach an overall graduation rate of $94 \%$.
- Each year we will increase the attendance rate of the district by $5 \%$ each year for 3 years.
- The district will be fiscally solvent by increasing the legal ending balance and the amount in the building fund by $\$ 263,000$ within the next 4 years.
- Each year the district will transfer a minimum of $\$ 56,250$ in order to increase our building fund account from $\$ 1,275,000$ to \$1,500,000.
- Each year the district will increase the amount of the legal ending balance by $\$ 1,000$ taking the amount from $\$ 443,000$ to \$445,000.

## Goal 1: Deepen Implementation of Collaborative Practices

By the end of the 2022-23 school year, teams at Magazine Elementary and High School will deepen their implementation of collaborative practices, including backward planning of units, identifying aligned assessments (formative and end-of-unit), and working interdependently to improve their instructional practices, as evidenced by attaining "developing" on the PLC continuum

Policy: 3.6 -LICENSED PERSONNEL EMPLOYEE TRAINING

## Actions:

Continue to clarify expectations for student learning (end in mind) around the essential standards within and across collaborative teams
Provide support in the design and use of common assessments/formal formative assessments and EOU assessments that are aligned to the essential standards
Establish clear systems for recording essential standards proficiency data
Support development of unit-based SMART goals
Use critical friend/singleton protocols for vertical teams for the design of instruction and the analysis of assessment results Provide timely support to students not demonstrating proficiency.

Programs: Solution Tree Coaches, Professional Learning Community meetings, Professional Learning Team Activities, Book Studies, AREN specialist, PBIS

## Goal 2: Increase Reading Achievement

By Spring of 2023, Magazine Elementary and High School will demonstrate a minimum of $10 \%$ increase in reading achievement across all grade levels as evidenced in results from iReady and ACT Aspire.

## Actions:

Build vertical consensus of essential standards and proficiency in literacy.
Unit by unit, members will backward plan to clarify proficiency for essentials, and smaller learning targets leading to their attainment.

Teams will identify/design at least one CFA and an aligned common (at elementary) end of unit assessment/summative measure for every unit in literacy (working in vertical teams as needed).

Engage in new learning of instructional strategies to increase student learning in literacy, including extensions.
Teams will provide Tier 2 support for their students based on the results of their formative and end of. Unit assessments to ensure that students learn their essential standards.

Programs: HQIM-(Benchmark Readers Workshop, I Ready Personal Pathway, Just Words, Sonday, 95\% Group, Fundations, Heggerty, Study Sync,) Reading Interventionist, Rtl Tracker

## Progress Toward Goal 2

## Goal 3: Increase Math Achievement

By Spring of 2023, Magazine Elementary and High School will demonstrate a minimum of a $10 \%$ increase in math achievement across all grade levels as evidenced in results from I-Ready and ACT Aspire

Policy: N/A
Actions:
Identify essential standards and clarify evidence of proficiency in math.
Build vertical consensus of essential standards and proficiency in math.
Engage teachers in backward planning of instructional units focused on the essential standards (singletons will work in vertical teams as needed).

Engage in new learning and implement highly effective instructional strategies to support high levels of learning in math.
Develop aligned formative and end of unit assessments to formatively and summatively measure student learning of the essential standards in math (common assessments for traditional teams) - data collection system

Teams will follow the Plan/Do/Study/Act process, using protocols to examine their practices in math and develop specific work products
Programs: HQIM (K-8 Ready Classroom Math), AREN Support, I-Ready Specialist Support, Solution Tree Math Specialist

## Goal 4: Update MTSS/RtI System

By the end of 2022-23 school year, Magazine Elementary and High School will update their schoolwide (Multi Tiered Systems of Support) MTSS/RTI system and recommend specific goals toward refining its structures, processes and results related to interventions and make specific recommendations to enhance the effectiveness and results of the school's system, as evidenced by various work products

## Actions:

Participate in the 6-day RTI academy

Analyze data re: the achievement and growth of specific student groups including those receiving intensive interventions (Tier III) or SPED support

Refine structures/ processes to ensure that students receive Tier 2 support and monitor the success by through ongoing feedback and use of data

Programs:Advisory, RtI Scheduler, Sonday
