

# 5 TIPS FOR PARENTS FOR STATE TESTING SUCCESS!

## 01

Get plenty of rest!  
Make sure your child has a well rested sleeping schedule. Ensure they are not up late using their technology.

## 02

Be on time!  
We ask all parents to bring their child to school every day and ON TIME! This diminishes the chances of having any classroom disruptions.

## 03

Help your child practice the importance of relaxing and taking their time on the test.

## 04

Follow directions!  
Help your child understand the importance of following directions on the test.

## 05

Encourage your child!  
They have made it this far, ensure that your child knows their value and how proud we are of them!
