

Code No. 508.4 TRANSPORTATION TO AND FROM SCHOOL-SPONSORED ACTIVITIES

All students are expected to travel to and from away-from-school activities in transportation provided by the school. The activity teachers or sponsor shall establish departure times and the tentative hour of return. As a rule, students are expected to travel as a group to any event. Exceptions must be cleared with the administration or designee prior to the activity. Alternatives to travel with the group in school vehicles are as follows:

1. A student may ride home with parents/guardians upon written notification to the coach at the event.
2. A student is not to ride home with anyone else's parents unless in the case of an extreme emergency situation or
3. Approval for transportation home with anyone other than a parent/guardian requires written permission by the parent/guardian and approval by the building principal prior to the event by the end of day of school, the day of the event.
4. All other alternatives to travel must be approved with the administration or designee prior to the activity.

Exceptions to the policy may occur in summer activities where a participant, because of work commitments, might need to drive to a contest. Both the parents and the coach must give prior approval. The student driver may not take other students. Violation of the rule will result in ineligibility for the contest.
