33. SUBCONTRACTING; ASSIGNMENT OF CONTRACT

Contractors, service providers, and all vendors with whom the Board of Education has an executed contract may not subcontract any part of any work done or assign any part of a contract for goods or services for the Board without first receiving written permission from the School Business Administrator.

- Affirmative Action Evidence as outlined in the proposal specifications;
- New Jersey Business Registration Certificate; and
- Other documents may be required by the Board of Education.

In cases of subcontracting, the Board of Education shall only pay the prime contractor. It is the sole responsibility of the prime contractor to ensure that all subcontractors are paid. The Board of Education shall not be responsible for payments to subcontractors and shall be held harmless against any or all claims generated against prime contractors for non-payment to subcontractors. 34. TAXES

As a New Jersey governmental entity, the Board of Education is exempt from the requirements under New Jersey state sales and use tax (N.J.S.A. 54:32B-1 et. seq.), and does not pay any sales or use taxes. Respondents should note that they are expected to comply with the provisions of the said statute and the rules and regulations promulgated thereto to qualify them for examinations and reference to any and all labor, services, materials, and supplies furnished to the Board of Education. Contractors may not use the Board's tax-exempt status to purchase supplies, materials, services, or equipment.

A contractor may qualify for a New Jersey Sales Tax Exemption on the purchase of materials, supplies, and services when these purchases are used exclusively to fulfill the terms and conditions of the contract with the Board of Education. All contractors are referred to the New Jersey Division of Taxation—Tax Bulletin S&U-3 for guidance. Again, contractors are not permitted to use the Board's tax identification number to purchase supplies, materials, services, or equipment.

If the Board determines that the contractor has failed to comply with the terms and conditions of the proposal upon which the issuance of the contract is based or that the contractor has failed to perform said service, duties, and or responsibilities in a timely, proper, professional and/or efficient manner, then the Board shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the Board of the contract does not absolve the contractor from potential liability for damages caused by the District by the contractor's breach of this agreement. The Board may withhold payment due to the contractor and apply the same towards damages once established. The Board will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The contractor further agrees to indemnify and hold the District harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement.

Any respondent who has been granted permission by the School Business Administrator to have their proposal withdrawn cannot re-submit a proposal for the same advertised proposal project. That respondent shall also be disqualified from future proposals on the same project if the project is re-advertised.

- **After The Proposal Opening**

The Board of Education may consider a written request from a respondent to withdraw a proposal if the written request is received by the School Business Administrator within five (5) business days after the proposal opening. A request to withdraw a proposal after the specified number of days will not be honored.

The contractor/vendor who wishes to withdraw a proposal must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or unintentional omission or both.

The request to withdraw a proposal after the proposal opening may be reviewed by the School Business Administrator, the Board Attorney, and a recommendation will be made to the Board of Education. If the Board of Education grants permission to have the proposal withdrawn the contractor/vendor shall be disqualified from quoting on the same project if the project is re-advertised. If the contractor/vendor fails to meet the burden of proof to have the proposal withdrawn, the request to withdraw the proposal will be denied, and if the contractor/vendor fails to execute the contract the bid guarantee will be forfeited and become the property of the Board of Education.
