

Sanford School Department Transportation Contract between a Parent and the LEA

This agreement remains in effect as long as the student:

1. Does not violate district transportation rules, and
2. Rides the bus regularly.

If the student is not present at the bus stop AND the student's parent/guardian has not phoned the transportation office [207-324-4888] in advance (**before 6 a.m. the day of pick-up**) to notify the staff of changes in transportation plans on THREE (3) CONSECUTIVE SCHOOL DAYS, then the district will no longer provide transportation each morning for the student. Once the parent fails to comply with this Transportation Agreement, this contract is terminated, and a bus will no longer pick up the child. It then will be the parent's responsibility to contact the school district transportation office to request reconsideration for district transportation. If the district cannot accommodate the request, the parent will become responsible for the child's transportation to school. This agreement applies to the student's pick-up address and current school as noted below

Regular transportation: Special Needs transportation (as noted in student's IEP)

As the parent/guardian of the above-named student, I agree to make sure my child is waiting for the bus prior to its arrival each school morning OR I will phone the transportation office [207-324-4888] prior to 6 a.m. if the bus is not needed. I understand that if I fail to follow-through with these requirements, then the bus will no longer come to pick-up my child, and I become responsible for making the necessary transportation arrangements to get my child to school.
