An Academic letter will be awarded to those students who achieve a 93% average during the first three quarters of the school year.

Late/ Make-up Work and Examinations

Students must have at least a B average (86%) to be an aide and will be given two and half (2 ½) credits per semester. Student aides will be utilized in the 7th and 8th periods JH sports only.

This will include students advancing from the 7th grade into the 8th grade and 8th grade students advancing into the 9th grade.

Special Education Procedural Safeguards, Policies and Programs

The Board of Education of this school district herein affirms that all procedural safeguards, policies and programs administered within the school district will be consistent with the Individuals with Disabilities Education Act and in accordance with the rules and regulations pertaining to special education as promulgated by the State Department of Education.

Individual Education Programs

The psychologist, the parents, the student, the teachers of that student, the guidance counselor and the school administration will determine the course of study for each student in Special Education. Each student in Special Education will be dealt with individually because each student has abilities unique to themselves.

CTE Work Programs

Students, with principal approval, may engage in CTE Work Study Programs (also called WBL (Work-Based Learning)). Students must have the recommendation of a certified CTE staff member who will oversee the student's participation in the program. CTE work study content is planned for students through a cooperative arrangement between the school and employer as a component of work-based learning. Students enrolled in the program are required to participate in the class. The CTE work study program must be supervised by a teacher who holds a Nebraska teaching certificate with a Work-Based Learning Endorsement on their teaching certificate. This program is designed to expand the participant's career pathway opportunities with industry-based training coupled with classroom instruction, not just provide a job.

Permanent Records

A permanent record for each student is maintained in the school offices. The record includes such items as personal data, family data, health records, scholastic records, activity records, test data, etc. Any student, his parents or guardians may have access to the student's permanent record. These records are kept to facilitate the possible transfer of students to other schools and to substantiate requests of transcripts from prospective employers and institutions of higher learning. Three sets of transcripts will be sent upon student request with no charge. Additional transcripts will cost \$1.00 each.

National Honor Society

The National Honor society constitution provides eligibility for Sophomore, Junior, and Senior students. Cumulative grade point averages requirements are:

Seniors - 88 Juniors - 90 Sophomores - 93.

The four criteria for Society membership are scholarship, leadership, service, and character. The eligible students are required to fill out an application and return it to the designated person on time. All sections of the applications must be completed to be eligible for consideration. Any student who fails to hand the application in on time or fails to complete the application will automatically be dismissed from the selection process. The selection committee composed of selected high school teaching staff will review the completed applications. Students who score a total of **22 points** or more out of a possible 28 points shall be elected to membership in the Treasure Island Chapter of National Honor Society. Students are expected to maintain their scholastic average and maintain eligibility.

Students who fail to meet this requirement may be dismissed from membership in the National Honor Society.

State Requirements

The school follows the eligibility requirements established by the Nebraska School Activities Association. All individuals involved in activities should be aware of the eligibility requirements established by the Nebraska Activities Association. These rules are spelled out in the Activities Guidelines.

Eligibility Lists

Eligibility will be determined on a weekly basis. To be eligible to participate in interscholastic activities, a student cannot be on the **Downs List (2 F's) in 3** or more subjects on the same day. (Eligibility will be based on the student's cumulative grade in all classes. Quarter grades will be used). In case of a severe discipline problem a teacher may recommend to the principal that a student be made ineligible for that week's activities. The downs list will start the third week of each quarter.

ATTENDANCE

Attendance Policy and Student Absences

The Board of Education believes it is the shared responsibility of the parent or guardian, the student and the school to establish and maintain desirable habits of punctuality and attendance. Parents cannot excuse students from school. They can only give the reason for the absence. The authority to determine whether an absence is excused or unexcused rests with the administration.

When a student is absent from school for a day or any part of a day, the parent should phone the school by 9:00 a.m. This procedure will help ensure that your child reaches school safely and will be sufficient notification for the school's absence records. An automated phone message will be sent out to parents if their child is not in attendance by the start of the second period.

Upon returning to school, those students whose parents have not called regarding their absence should present a written excuse to the office. Any student returning to school without a written excuse or previous phone contact from the parents/guardian will be asked to call their parent/guardian for verification of their absences.

Students will be given one calendar day for every day of absence (up to 5) to complete missing work.

Incomplete in Class

In cases involving incomplete work due to illness, students shall have one day to make up incomplete work for each day of absence (up to 5).

Categories of Absences

Excused:

A note or phone call from home giving the reason for the absence, i.e.: family bereavement; doctor or dental appointments; illness; special religious observances; demonstration of exhibits at the State Fair; court appearances; family emergencies and other family activities.

Unexcused:

Truancy, leaving school without checking out of the office, forged excuses or failure to bring a note from a parent/guardian giving the reason for absence after the student returns to school. Students with unexcused absences will be expected to make up the time minute for minute for the time absent.

Special:

Participation in an E.H.S. activity is excused. Any excuse not covered above will be decided at the discretion of the principal. Any administrative decision as per classification of the excuse may be appealed prior to the absence when enough advance notice is given.

Absence Limitations

Excused: Ten (10) per class per semester

Unexcused: None

The total of all absences shall not exceed ten (10) per class per semester. Any student exceeding 10 absences in any single class or more will automatically have all their credits deducted from all classes in which the absences exceed ten (10). If parents and students feel there are extenuating circumstances causing the excess absences, they may make an appeal to the Elwood Board of Education by contacting the school within 10 school days after a notice of excessive absenteeism is received. If this occurs, due process procedures will be followed.

Nebraska state law requires habitually truant students, defined as students who are absent more than twenty (20) days of school, be reported to the County Attorney as being habitually truant.

Notices of attendance will be mailed to the Parents/Guardians after the 5th excused absence. Also, the student will confer with the principal after the fifth absence in an attempt to clarify any questions and point out all possible consequences. Parents will also be notified via a letter/email when a student receives an unexcused absence.

Tardiness

Will be handled by the classroom teachers. 1st Tardy = Warning, 2nd Tardy = 10 minute detention, All subsequent tardies = 30 minute detention.

Final Exams

All students in grade 7-12 will take comprehensive semester finals each semester.

Student Illnesses or Injuries

A form is provided for you to give us information necessary in taking action whenever your child(ren) become(s) ill or is injured while at school or at a school activity. Please complete this form and return it to us within the first week of school.

Leaving the Building - Grades 7-12

If a student leaves the building during school hours, he or she must have permission from the principal, a school administrator or one of the school secretaries. They must also sign out in the high school office. If he or she returns to school during the day, they must sign in, in the front office. Any student leaving the building during the day without permission or without checking out in the front office may be subjected to in-school or out-of- school suspension.

Leaving the Building at the Lunch Break – Closed Campus

Students may not leave the building at lunch break unless given permission from the administration.

USE OF BUILDING AND GROUNDS

Telephones

Students are to use the phones supplied in the secondary and elementary offices for long distance calls. Students may use the classroom phone with teacher permission for non-toll calls. You must obtain permission from the secretary to use the phone. NO ONE will be called from a class to receive a telephone call unless the call is an emergency.

Holiday Gifts

Gifts, such as Valentine's Day, Birthday, etc., will not be accepted at the school. Parents should give their children these gifts at home.

Use of Copy Machines/Printers

Students may use the copy machine or computer printers for school related items only with permission. All personal items to be copied or printed will cost 10 cents per copy (front and back is 2 copies).

Locker Rooms

No student should be in the locker rooms during the day unless it is for PE. No coach or teacher may give permission for students to dress early for practice. All students in PE should shower and will not be permitted to return to class in PE clothes. Students should not keep anything of value in their lockers and should always have their locker locked when they are not in the locker room.

Lockers and other School Property

Student lockers, desks, computer equipment and other such property is owned by the school. The school exercises exclusive control over school property. Students should not expect privacy regarding usage of items placed in or on school property, including student vehicles parked on school property, because property is subject to search at any time by school officials. Periodic, random searches of lockers, desks, computers, and other such property may be conducted at the discretion of the administration.

Visitors

Visitors are asked to report to the Office upon arriving. Student visitors are **not allowed**. Visitors eating lunch at school will be expected to pay cash--federal regulations will not permit visitors to "borrow" from a student's lunch account.

Student Vehicles and Bicycles

There will be no driving, (unless by special permission from the administration), lounging, or riding in cars or other vehicles during school hours. This includes lunch hour. Bicycles will be placed in the bike racks. Bicycles are to be left there until dismissal time in the afternoon. Permission will be given to go to a Doctors appointment if we have a written excuse or phone call from a parent. Students' motorcycles are to be put in the same area as the student car parking area. They are not to be put on the school sidewalks or lawn. There will be no driving of motor vehicles (unless by special permission from the administrator) during the noon hour or school hours. All speed limits and traffic signs must be observed when entering or leaving the parking areas.

Care of School Property by Students

Except in cases of unavoidable accidents, students and/or their parents are liable for all damage they may do to school property and will be required to make restitution for damages incurred. This includes writing or carving on school desks, books, or any other school property.

Care of Personal Property by Students

Students are encouraged to mark all personal property so that it can be identified if lost or stolen. This includes the marking of personal apparel such as gym clothes, coats, shoes, etc.

Student Rights, Conduct, Rules, and Regulations

Student Discipline

Good discipline in the school is extremely important to the school program. With good discipline the school can discharge its primary responsibility in the development of citizenship and students can realize their greatest opportunities for growth. In maintaining discipline, teachers must be able to proceed with the assurance that support will be forthcoming from the Superintendent, Principal, and the School Board. Profanity of any kind will not be tolerated. Students using profanity may be subject to a warning, detention, Out-of-school suspension depending on the severity of the profanity being used.

Any students receiving short-term suspension may make up any class work, including, but not limited to, examinations missed during the period of suspension. They may, however, receive zeros on all assignments they complete during short-term suspension. Teacher discretion is warranted in these circumstances.

Student Detention

Students who have misbehaved may be assigned to detention. Students will report to the teacher who assigned the detention with something to work on or read by 3:52 on the day detention is assigned. Bus students will be given one day to make arrangements and will be expected to report to detention the next day. Being late, not having anything to work on, visiting with others, sleeping, chewing gum, or having pop or candy in detention will result in being dismissed and doubling the detention time. No student will leave the detention room for any reason after 3:52 until they have completed their time. Failure to appear for detention will result in detention time being doubled. Continued failure to appear will result in **out-of-school suspension**. Students may have time extended for repeated violation of the same rule.

Hazing

Any hazing of any student by any other student or as a part of an initiation to an organization is prohibited in any and all circumstances.

Bullying and Harassment of Students

Bullying and/or harassment of any student is an unacceptable form of behavior. At Elwood Public Schools, this will not be tolerated. Bullying and harassment is defined as but not limited to an individual or group of individuals who are or feel threatened, abused or undermined by another individual or group of individuals repeatedly. Bullying can be expressed through physical, verbal, or intimidating behavior. A substantiated charge against a student in a school district shall subject that student to disciplinary action including, but not limited to, suspension or expulsion.

Dating Violence BOE Policy 5030

Dating violence, as that term is defined by Nebraska law, will not be tolerated by the school district. Students who engage in dating violence on school grounds, in a school vehicle or at a school activity or that otherwise violates the Nebraska Student Discipline Act will receive consequences consistent with the Act and the district's student discipline policies.

The school district shall provide dating violence training to staff deemed appropriate by the administration and in accordance with Nebraska law.

Sexual Harassment of Students

It is the policy of the school district to maintain a learning and working environment that is free from sexual harassment.

It shall be a violation of this policy for any member of the school district staff or employee of the school district, to harass a student through conduct or communication of a sexual nature as defined below. It shall also be a violation of this policy for students to harass other students through conduct or communication of a sexual nature as defined below.

Procedures

Any person who alleges sexual harassment by any employee of the district or another student in the district should report the incident to any teacher or Mr. Jones, the district Title IX coordinator. Filing of a complaint or otherwise reporting sexual harassment will not reflect upon the individual status nor will it affect future employment, grades or work assignments.

The right to confidentiality, both of the complainant and the accused, will be respected consistent with the district's legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

A substantiated charge against an employee of the school district shall subject the employee to disciplinary action, including, but not limited to, discharge. A substantiated charge against a student in a school district shall subject that student to disciplinary action including, but not limited to, suspension or expulsion.

Any student who is determined to have knowingly and intentionally possessed, used, or transmitted a firearm or dangerous weapon on school grounds or school zones, in a school owned vehicle being used for a school purpose, or at a school-sponsored activity or athletic event may be expelled from school for one calendar year. The administration or school board may modify the expulsion requirement on an individual basis.

Alcohol, Tobacco, Use of Other Drugs

The Elwood School District recognizes that the use of tobacco, alcohol and illegal drugs is a significant health and social problem. Student tobacco, alcohol, and illegal drug use results in negative effects on behavior, learning, social and physical development. Because we believe that we have the obligation to address

what we consider to be detrimental influences on student performance, achievement and development, the following substance abuse/activity participation policy was developed. It is a part of a total effort to discourage the use of tobacco, alcohol, and other illegal drugs by the young people of our community.

The use of dogs to walk locker rooms, parking lots (including the street between the school and football field), or other parts of the school grounds to determine the presence of illegal drugs will occur at any time during the school year and without prior notice to students or parents.

Any student of the Junior or Senior High School shall be subject to the penalties outlined below if it is determined that the student has had possession of or used alcohol, tobacco (including e-cigarettes, tobacco product look-alikes, and products intended to replicate tobacco products either by appearance or effect), vaporizers (including vapor pens and non-medical vapor and vapor dispensers, regardless of whether such products contain nicotine), illegal drugs, drug paraphernalia, or abused any other form of mind-altering chemicals (e.g. salvia, K2, prescription drug misuse, huffing), such determination shall be based on a witnessed violation, an admitted violation, or upon citation by law enforcement. Witnessed violations shall be reported by any school employee to the activities director, sponsor involved, or to the school's administration. School officials will also rely upon law enforcement officials in determining violations.

The following are some situations that will result in suspension:

- (a) Any witnessing of a student involving the use, possession or distribution of tobacco, alcohol or controlled substance or paraphernalia by any member of the certified staff of the Elwood Public Schools.
- (b) Any confession by a student to a teacher or administrator involving the use, possession or distribution of tobacco, alcohol or any controlled substances or paraphernalia.
- (c) Any citation by law enforcement involving the use, possession or distribution of any controlled substances, alcoholic beverages or paraphernalia.

The enforcement of this policy will begin with the official starting day of the fall sport season established by the Nebraska School Activities Association and will end on the last official day of school in a given year as established by the Board of Education unless the activity extends beyond the last official day of school.

This policy applies to:

- All students when school is in session.
- All athletics

- Fine arts activities including but not limited to speech, vocal and instrumental music, plays.
- School sponsored activities including but not limited to National Honor Society, Student Council, School Dances (including Prom), FCCLA, Academic Bowl Teams, and Homecoming Activities.

Penalty for violation of this policy.

- **First Offense** – A student who self reports a violation of this policy to the principal or superintendent by 8:45 AM the next school day after a violation has occurred AND discloses where the illegal contraband came from will not be allowed to participate in any activity for a period of two (2) weeks (10 school days and/or days with school activities in which the student is a participant), beginning with the first scheduled contest in that activity. Apparel must comply with the health, safety codes, and reflect hygienic standards that do not interfere with the educational process.

Gang apparel shall not be worn on school grounds or at school activities. Gang apparel is defined to include clothing, jewelry or accessories generally associated with gangs including the anarchy symbol. Gang apparel includes sagging or excessively baggy pants that touch the floor, and/or excessively long belts that are worn down either leg. Continued violation of this rule will result in disciplinary action. **Exceptions will be made for putting on school symbols or insignia during spirit week.**

Student Conduct on School Buses

Student sponsored transportation is an extension of the classroom. Students are required to conduct themselves in a manner consistent with established standards for classroom behavior. All students involved in activities must ride to that activity with the group (with the exception that a parent of a JH student participating in CC and FB/VB may be transported from one event to the other by their parent(s) only). They may go home with a parent only after the event is over and if the parent requests permission in person by providing a note to the sponsor of the activity. Route bus drivers are responsible for bus discipline and may refer problems to the administration. **Coaches/Sponsors are responsible for discipline on Activity trips.**

Student Relationships

Students are expected to conduct themselves with decorum and respect for themselves and others in personal relationships. Public demonstrations of kissing, embracing, hand holding and other intimate contacts are embarrassing to others and show little respect for the reputation of the partner involved. Students in violation of this rule may be referred to the office for disciplinary action if verbal reminders have no impact. Those who continue to violate this policy will face disciplinary action ranging from Out-of-school suspension to expulsion.

Lockers

Students are assigned lockers for their coats and books. Students are not to be in any locker other than their own. Please respect other people's property, as you would want them to respect yours. DO NOT store or keep items of value or money in your locker. If you must bring money or valuables to school, you may check them into the office for safekeeping. Lockers are the property of the school and may be inspected at any time. Student lockers must be kept in a neat and orderly manner.

If you bring valuables from home such as calculators, mark them with your name so that they may be identified. You may bring locks from home for your locker. Students bringing locks from home must leave a key or the combination in the office. Anyone caught taking another person's property, whether for a practical joke or otherwise, may be suspended from school and extracurricular activities. The Gosper County Sheriff Department may be called in any case in which a theft has occurred. Restitution will also be made when necessary. **KEEP VALUABLES IN THE LOCKER ROOMS LOCKED IN YOUR LOCKER!**

If a second violation occurs the item will be given to the principal and the student's parents will be required to pick up the item and the student will not be able to have the device in their possession during the school day the remainder of the school year. Solicitation and School Activity Funds

The Superintendent must authorize any solicitation made in the community by any student or any student organization representing the school in any way. Such funds become the legal property of School District No. 30, Elwood Public and will require the approval of the Superintendent for being expended. Further, the administration reserves the right to limit the amount of such expenditures for any purpose.

Check Out Procedure

Students must secure a checkout sheet from the office and must return all books, materials, school property, pay all fines, and have the signature of all teachers, librarians, district secretary, and principal before the student will be cleared to check out. Please begin this process 2-3 days before you are to leave the district to give yourself time to return all school properties and to clear up any outstanding debts to the school.

A group plan of pupil accident insurance shall be made available on a voluntary basis to every pupil registered in the schools of the district from kindergarten through grade twelve. The plan shall be selected annually and shall include provisions for coverage on an optional basis for participation in inter school athletics. The availability of such a policy shall not be interpreted in any way as an acknowledgment of liability by the school district for accidents by students participating in school activities.

All football, basketball, wrestling, track, and volleyball players must have some form of insurance, either school or home. Insurance is available for all students if they desire it.

Physical Examinations of Student

The school district requires evidence of a physical examination by a qualified physician for every kindergarten student, in the case of elementary school, and for every seventh grader, in case of secondary school. Students transferring to the school district from out of state must also provide proof of physical examination. Such proof of physical examination must be provided to the school principal prior to admission to the school. Such physical examinations must have taken place within six months prior to the entrance of the student into the school system.

Any parent who objects to such a physical examination because of religious or personal beliefs shall present these objections in writing to the proper school officials in lieu of the proof of physical examination.
