1. Receiving Your iPad & Check-In

1.1 Receiving Your iPad

iPads will be distributed each fall during the first day of school. Parents and students must attend a yearly Information Session. Before receiving an iPad, students and parents must sign and return copies of the following documents:

- Student Pledge for iPad Use, page 1
- Acceptable Use Policy (part of the High School Student Handbook)

1.2 iPad Check-In

iPads will be returned during the final week of school during student checkout so they can be examined for serviceability. If a student transfers out of the Elwood Public School District during the school year, their iPad will be returned at that time.

1.3 Check-In Fines

Individual school iPads and accessories must be returned to Elwood Public School at the end of each school year. Students who withdraw, are suspended or expelled, or terminate enrollment at Elwood Public School for any other reason must return their iPad on the date of termination. If a student fails to return the iPad at the end of the school year or upon termination of enrollment, that student will be subject to criminal prosecution or civil liability. The student will also pay the cost of the iPad, or if applicable, any insurance deductible. **Failure to return the iPad will result in a theft report being filed with the Gosper County Sheriff's Department.**

The student will be responsible for any damage to the iPad, consistent with the District's Insurance Agreement Form and must return the iPad and accessories in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

2. Taking Care of Your iPad

Students are responsible for the general care of the iPad they have been issued by the

school. iPads that are broken or fail to work properly must be taken to the Principal's office for an evaluation of the equipment.

2.1 General Precautions

- The iPad is school property and all users will follow this policy and the Acceptable Use Policy for technology.
- Only use a clean, soft cloth to clean the screen, no cleansers of any type.
- Cords and cables must be inserted carefully into the iPad to prevent damage.
- iPad and case must remain free of any writing, drawing, stickers, or labels that are not the property of Elwood Public School.
- iPads, **cords, and adapters** must never be left in an unattended or unsupervised area.
- Students are responsible for keeping their iPad's battery charged for school each day.
- Students must keep their iPad in the protective case, provided by the school, at all times; or a protective case approved by the administration.

2.2 Carrying iPads

The protective case provided with the iPads has sufficient padding to protect the iPad from normal treatment and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

- iPads must always be within the protective case.
- Limit the number of items carried within a backpack with the iPad to limit the amount of pressure applied to the iPad screen.
- Avoid bumping the iPad against any surface.

2.3 Screen Care

The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the iPad when it is open or closed.
- Do not place anything near the iPad that could put pressure on the screen
- Do not place anything in the carrying case that will press against the cover.
- Clean the screen with a soft, dry cloth or anti-static cloth. Use of harsh chemicals WILL damage the screen.
- Do not "bump" the iPad against lockers, walls, car doors, floors, etc. as it will eventually break the screen.

3. Using Your iPad at School

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, calendars, and schedules may be accessed using the iPad. Students must be responsible to bring their iPad to all classes, unless specifically instructed not to do so by their teacher. The iPad is the property of Elwood Public School. Therefore, school staff and administration have the right to check any material stored on a student's iPad at any time.

3.1 iPads Left at Home

If students leave their iPad at home, they are responsible for getting the course work completed as if they had their iPad present. If a student repeatedly (three or more times as determined by any staff member) leaves their iPad at home, they will be required to "check out" their iPad from the office for three (3) weeks.

3.2 iPad Undergoing Repair

Loaner iPads may be issued to students when they leave their iPads for repair in the office. There may be a delay in getting an iPad should the school not have enough to loan.

3.3 Charging Your iPad's Battery

iPads must be brought to school each day in a fully charged condition. Students need to charge their iPads each evening. Only charge your iPad with the school provided charger.

3.4 Screensavers and Backgrounds

- Inappropriate media may not be used as a screensaver or background photo.
- Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, tobacco, and gang related symbols or pictures will result in disciplinary actions. If you have questions about your iPad background please check with the administration.
- Passcodes are not to be used.
-

3.5 Sound, Music, Games or Programs

- Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- Music is allowed on the iPad and can be used at the discretion of the teacher.
- Internet games are not allowed on the iPads. If game apps are installed, it will be with Elwood Public School staff approval.
- All software/apps must be district provided. Data storage will be through apps on the iPad and email to a server location.

3.6 Printing

Printing will not be available from the iPad. If students need to print anything from their iPad, they will need to email the document to themselves or their teachers to print from the email.

3.7 Home Internet Access

Students are allowed to set up wireless networks on the iPads. This will assist them with iPad use while at home. Printing at home will require the student to follow the same steps as if printing at school.

4. Managing Your Files & Saving Your Work

4.1 Saving Your Work

Students may save work to the home directory on the iPad on a limited basis. It is recommended that students email documents to themselves for storage on a flash drive or District server. Storage space will be available on the iPad – but it will not be backed up in case of re-imaging. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work.

4.2 Network Connectivity

Elwood Public School makes no guarantee that the network will be up and running 100% of the time. In the rare case that the network is down, the District will not be responsible for lost or missing data.

5. Software on iPads

5.1 Originally Installed Software

The software/apps originally installed by Elwood Public School must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from iPads at the completion of the course. Periodic checks of iPads will be made to ensure that students have not removed required apps.

5.2 Additional Software

Students are not allowed to load extra software/apps on their iPads. Elwood Public School will synchronize the iPads so that they contain the necessary apps for school work. Students will not synchronize iPads or add apps to their assigned iPad to include home syncing accounts.

5.3 Inspection

Students may be selected at random to provide their iPad for inspection. These inspections may include an inspection of all material saved on the iPad.

5.4 Procedure for Re-loading Software

If technical difficulties occur or illegal software or non-Elwood Public School installed apps are discovered, the iPad will be restored from backup to its original state. The school does not accept responsibility for the loss of any software or documents deleted due to a reformat and reimage.

5.5 Software Upgrades

Upgrade versions of licensed software/apps are available from time to time. Students will be required to check in their iPads for periodic updates and syncing.

6. Acceptable Use

The use of Elwood Public School's technology resources is a privilege, not a right. The privilege of using the technology resources provided by the District is not transferable or extendible by students to people or groups outside the District and terminates when a student is no longer enrolled in the Elwood Public School. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school district technology resources may be denied, and the appropriate disciplinary action shall be applied. The Elwood Public School's Acceptable Use Policy, as well as the Student Handbook, shall be applied to student infractions.

Violations may result in disciplinary actions up to and including suspension/expulsion for students. When applicable, law enforcement agencies may be involved.

6.1 Parent/Guardian Responsibilities

- Talk to your children about values and the standards that your children should follow on the use of the Internet just as you do on the use of all media information sources such as television, telephones, movies, and radio.
- Should you want your student to opt out of having an iPad, you will need to sign a letter indicating this, stating the reason(s) why, and understand that your student is still responsible for meeting the course requirements.

6.2 School Responsibilities

- School will provide Internet and email access to its students.
- School will provide Internet blocking of inappropriate materials as possible.
- School will provide network data storage areas. These will be treated similar to school lockers. Elwood Public School reserves the right to review, monitor, and restrict information stored on or transmitted via Elwood Public School owned equipment and to investigate inappropriate use of resources.
- School will provide training on how to appropriately use the iPad.
- School will provide staff guidance to aid students in doing research and help assure student compliance of the Acceptable Use Policy.

6.3 Student Responsibilities

- Students will use iPads/computers in a responsible and ethical manner.
- Students will obey general school rules concerning behavior and communication that apply to iPad/computer use.
- Students will use all technology resources in an appropriate manner so as not to

damage school equipment. This “damage” includes, but is not limited to, the loss of data resulting from delays, non-deliveries, miss-deliveries or service interruptions caused by the student’s own negligence, errors or omissions. Use of any information obtained via Elwood Public School’s designated Internet system is at your own risk. Elwood Public School specifically denies any responsibility for the accuracy or quality of information obtained through its services.

- Students will help the Elwood Public School protect its computer system/devices by contacting an administrator about any security problems they may encounter.
- Students will monitor all activity on their account(s).
- Students should always turn off and secure their iPad after they are done working to protect their work and information.
- If a student should receive an email containing inappropriate or abusive language or if the subject matter is questionable, he or she is asked to print a copy and turn it into the administration.
- Students will return their iPad to the office at the end of each school year. Students who withdraw, are suspended or expelled, or terminate enrollment at Elwood Public School for any other reason must return their individual school iPad on the date of termination.

If a student violates any part of the above policy, he or she will be subject to consequences as listed in the Acceptable Use Policy and Elwood Public School Student Handbook.

7. Protecting & Storing Your iPad

7.1 iPad Identification

Student iPads will be labeled in the manner specified by the school. iPads can be identified in the following ways:

- Record of serial numbers and correlated asset tag.

When students are not using their iPads, they should be locked in their locker or kept with the student. Nothing should be placed on top of the iPad when stored in student lockers. iPads should not be stored in a student's vehicle at school or at home. If a student needs a secure place to store their iPad, they may check it in for storage in the office.
