In accordance with the policy of the board of education, the use of the district safe-room will be limited and used according to the following rules:

Time Frame

- The safe-room will be open to the public during **non school hours** when a tornado warning is issued for the area and/or the Shady Point emergency sirens are activated.
- School hours will be set as 7:30 am to 4:00 pm.
- During school hours public access will only be allowed once all students, faculty, and staff are in the safe-room.
- Area emergency personnel and school officials will open the saferoom once a warning has been issued for the Shady Point area and the emergency sirens are activated.
- Occupants will be expected to leave withing 30 minutes of the termination of a tornado warning over the area.

Restrictions

- Time restriction are in place during school hours. During that time students will be given first access
- **No pets unless they are certified service animals, for disabled occupants, and have the proper paperwork.**
- No tobacco products including smoking, vapeing, or any smokless tobacco
- No firearms or other weapons
- **Any disagreements with officials or other occupants can result in being asked to leave. Emergency and or school officials will have final say as to the use of the safe-room including access, issues, or disagreements.**
- Any other person that is otherwise restricted from campus will not be allowed to use the saferoom. This includes individuals on a sexual registry, currently have a restraining order against another occupant, or are banded from the campus by the district administration

All decisions by school or emergency personnel are final
