## Justin Ancheta

*High School Diploma, CTE Completer*

As my next chapter in my life opens up, gratitude comes to mind. I am graduating. Dufur School has been good to me and my family. I thank all who encouraged me to become the man I am today. Mom and Dad, I love you both with all my heart. Together with my family, we are changing our stars. Making a better path for the future. I plan to go to college near the Columbia Gorge.

## Violeta Carrillo

*Dufur Honors Diploma, Salutatorian, Community Service Award*

My name is Violeta Carrillo, and I am the proud daughter of Erica and Raul Carrillo. I have been fortunate enough to have attended Dufur School since kindergarten. Throughout my time at Dufur School, I have had the privilege of participating in several community service projects, track and field, the National Honor Society, and have served as a class officer. A lot of my hobbies include hanging out with my best friends Isabelle and Kali. I plan on pursuing a dental hygiene degree at Central Oregon Community College, where I will obtain my associates degree.

Although I'll miss the strong relationships I've built with my teachers and classmates, I'm excited to see the new opportunities that the future will hold.

# Nolan Michael Cates

*Oregon Diploma*

During my time at Dufur School, I was involved in football, basketball, and also track. My favorite memories from high school are going to Baker. I want to give thanks to my mom and dad for always being there for me and helping me out. My plans after high school are to go into the Air Force or National

Guard. Thank you Nancy Wilson for being so bad.

# Adrian A. Chavez

*Oregon Diploma*

I have attended Dufur School since the third grade. During high school I participated in basketball and track. I also was elected Homecoming King. After high school I plan to go into trades and work construction. I would also like to thank my mom for supporting me all throughout my time in school.

# Nathan Coleman

*Dufur Honors Diploma, NHS, Community Service Award,*

I have attended Dufur School since the start of 3rd grade. I have been involved in robotics, track, and basketball. I enjoy solving Rubik's Cubes, rollerblading, and disc golf. After graduation, I plan to serve a two-year mission for my church and then hope to go to BYUI to get a career in technology. I would like to thank my amazing teachers for all the help they have given me throughout my years of school. I would also like to thank my parents for everything they have done for me.

# Aiden Frakes

*Oregon Diploma*

Dear family and friends, as I stand here today, I want to take a moment to express my gratitude and share a little bit about myself with all of you. First,

I would like to thank my parents, Trisha and Richard Frakes, who's support and encouragement have shaped who I am today. Throughout my time at Dufur I've had the pleasure to try various school activities and hobbies like volleyball, archery, and painting. I am excited to pursue my future plans of going to community college. Lastly, I want to give a heartfelt thank you to all my teachers, friends, and family members who have supported me along this journey. Your guidance and encouragement has meant the world to me, and I'm grateful for each and every one of you. Thank you!

# Scott Graham “Scott Dawg”

*High School Diploma*

I want to acknowledge and thank my Aunt Agnes, for being there for me growing up and guiding me in the right direction, and I want to thank my Uncle Joseph for also being there for me as well. I was born in Oroville, California but grew up in Celilo Village, Oregon with my aunt and uncle. I have played football for six years and had an amazing time playing for Dufur. I am grateful for Coach Henderson for helping me get better and always checking on me. My after school plans are to do Firefighting for Firestorm, a private company in Chico, California. My strengths are being respectful and nice to others. I want to thank all my coaches and teachers

for helping me get through high school, I could not have done it without them. My message to others, “Don't give up when times are hard, hard times are a part of success”

# Foster Harvey

*Dufur Diploma, NHS, Community Service Award*

I have attended Dufur School since kindergarten and I have participated in numerous extracurricular activities including football, basketball, baseball, some robotics, and others. After high school, I plan to join the National Guard and attend college in Utah for electrical engineering. I am eternally grateful for all the support I have received from everyone around here including my parents, siblings, teachers, and coaches.

# Shyanne Bailey Loomis

*Dufur Diploma, NHS, Community Service Award*

My name is Shyanne Loomis, and I have been learning here since preschool. I have participated in activities in the school such as National Honor Society and cheerleading, where I was one of three captains. I have volunteered in the community for various events throughout my school years, earning up to 100 hours of community service. My hobbies include reading, traveling, and spending time with my cats. I would like to thank my family and friends for always being there for me and pushing me to be the person that I am today.

# Madison Martell

*Dufur Honors Diploma, NHS, Community Service Award,*

My name is Madison Martell. My mother and father are Michelle and John Miller and my brother is Kolt Miller. I have participated in many extracurriculars including ASB, National Honor Society, Volleyball, Travel volleyball, and Basketball. This fall I will be attending Eastern Oregon University to get a Bachelor's of Science in Business Administration. I plan on becoming a financial planner with this degree.

# Skylyn Miller

*Dufur Diploma, CTE Completer*

My name is Skylyn Miller, I like to read a good book, play video games, crochet, and I dabble in snowboarding for fun. I have been active in fall and winter sports, and I am currently one of the class officers for my senior class. I plan to go to CGCC to get my prerequisites out of the way then transfer to a university to get a Bachelors of Science in Nursing. I want to thank my family, friends, and boyfriend for helping me get through high school; especially the last two years as they've been the toughest. I would like to thank my teachers for

being persistent in making sure that I succeed.

# Shaelee Jane Powell

*Dufur Diploma, FFA, CTE Completer*

My name is Shaelee and I have been at Dufur School since my freshman year. I have been involved in volleyball since my sophomore year and I was also the basketball manager my junior and senior years. I would like to thank my parents for always supporting me and pushing me to do my best. I would also like to thank my friends for being there for me when I need them and cheering me up when I feel down.

# Kali Rockwell

*Dufur Honors Diploma, NHS, Community Service Award*

My name is Kali Rockwell. My mother is Krystal Goss and my brothers are Kannen and Damian Rockwell, and Brody Brantner. I have participated in a multitude of extracurriculars including ASB, FFA, National Honor Society, Yearbook, cheerleading, and track. Within these, I have taken on many leadership roles, such as class presidency, Student Body President, FFA Secretary, Chief Yearbook Editor, and Cheer Captain. My post-graduation plans are to attend Central Oregon Community College to obtain my Associates in Biology, and then go on to further my education at Foothill College with the ultimate goal of becoming a Radiology Technician. I would love to acknowledge my lifelong best friends, Isabelle and Violet, for motivating me throughout high school. I could not have accomplished any of my dreams without the unwavering support of the Dufur community.

# Klayton Schanno

*Dufur Diploma*

During my time at Dufur School, I was involved in basketball for four years, golf for four years, and baseball for two. After graduation I'm either going to stay in Oregon and work or go to California and work irrigation. My plan for school after graduation is to go to Blue Mountain Community College for their welding program. I'd like to thank my mom and dad for supporting me throughout my four years of school and supporting me in sports.

# Michael W. Seitz

*Dufur Honors Diploma, NHS, FFA, Community Service Award, CTE Completer*

Son of: Tim and Carrie Seitz.

Hobbies and interests: hunting, fishing, gaming, Magic the Gathering.

School activities: FFA, Track, Basketball, and NHS. Future plans: I plan to enlist in the army after school, but if there are any complications with that then I plan on going into fire and rescue. Special thanks: I would like to give a heartfelt thank you to everyone

who had a genuine conversation with me throughout high school. One thing I will always cherish about FFA, is its ability to teach you just how impactful the simplest of conversations can be on anyone's life. That is why I would like to thank everyone I can for conversing with me, and so I hope 90% of you reading this can think of an interesting conversation you had with me.

# Isabelle Shaw

*Dufur Honors Diploma, Valedictorian, NHS, Community Service Award*

My name is Isabelle Shaw, and my parents are Trena and Adam Shaw. I plan on attending Boise State University in Idaho following graduation.

I am going to pursue a degree in diagnostic medical sonography with the goal of becoming an OB ultrasound technician. Throughout my high school career I've participated in volleyball, basketball, National Honor Society, class office, and various volunteer opportunities.

I would've never been able to get through high school without the help of my family and my childhood best friends Kali and Violet. I'm thankful for the platform that Dufur has granted me in achieving my dreams, and I'm going to miss this uplifting community.

## Roy Stahi

*Oregon Diploma*

Roy Stahi has attended Dufur School since the middle of his 1st grade year. Roy is the son of Agnes Stahi and Joseph Ancheta.

Roy has really enjoyed running track and throwing javelin in middle school and high school. Roy traveled to Washington DC twice

as part a of a group from Columbia Gorge ESD. He would like to take a 5 month security course after graduation, so he can get a job working security at The Dalles Dam. Roy would like to thank Lindsey Harvey for the good food everyday!

## Tony Suppah

*Oregon Diploma*

I have attended Dufur School since my sophomore year. During my time spent here I participated in football and baseball. I had a good time at Dufur. It was the first time I've ever played baseball and I think it was a good experience. I would like to thank my family and friends,

everyone who has helped me throughout my time here. After high school, I plan to firefight and work a job until I get an apprenticeship.

# Austin Thomas

*Dufur Diploma, FFA, CTE Completer*

I have attended Dufur School since kindergarten. While attending this school, I have been involved in sports, 4-H, and FFA. In 4-H, I was president for two years, in FFA I was the treasurer and secretary. After graduation I plan on going to college to study animal science, to become a veterinarian. I want to give a big thank you to my teachers and parents for pushing me to be my best.

# Peyton Wallace

*Dufur Diploma, CTE Completer*

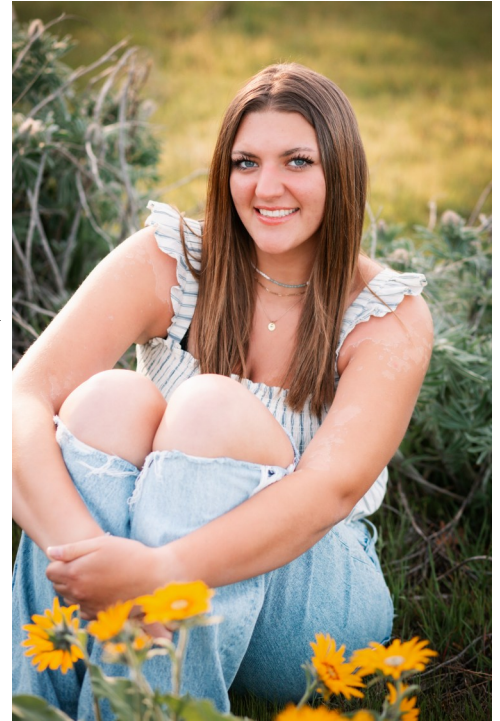

I have attended Dufur School since kindergarten. While attending this school, I have been involved in volleyball, basketball, and track. In both volleyball and basketball I was a captain. After graduation I plan on going into the trades. I would like to thank my parents for always supporting me and pushing me to be the best. I would also like to thank my teachers for always helping me when I need it.

# Kassie Ann Walter

*Dufur Diploma, CTE Completer*

I have attended Dufur School since sixth grade. While being here, I have played multiple sports including basketball, volleyball, and track. I plan on attending CGCC for welding and CNC machining after high school. I would like to thank Mrs. Black, Mrs. Egland, Ms. Boles, and Mrs. Anderson for always helping me and believing in me.

# Kordell A. White

*Dufur Diploma*

My very first hobbies from when I was born were fishing, basketball, and baseball. Physical activity has been one of the biggest parts of my life, let it be working on a Christmas tree farm or making it all the way to the State Championship and watching my team smile and laugh about pushing through the impossible. I can only thank my parents, grandparents, and significant others for watching me play my favorite sports throughout my years in high school and wanting my success more than myself. My dream since when I was young was to be a police officer for the silly reason of getting free donuts when I went to a pastry shop. While I still might hope for pastries, I've realized that not every-

thing has to be sweet to like it. My dreams of becoming a police officer are still alive and well. While I don't need a degree, I still would like to further my education at OSU so I might make a smart decision a little more often.

## Anna LaVelle Wilkinson

*High School Diploma*

Anna, daughter of Jean Underhill and Jeff Wilkinson, loves music and writing. She volunteers at the Oregon Veterans Home and aspires to a medical career. Anna frequently visits Portland for concerts and time with her sister Clara. She thanks her mother Jean, grandmother LaVelle, siblings Clara and Bucky for their inspiration and advice. Raised on a farm, Anna plans to move to Portland and never feed another cow.

## Sonny Wilson

*Dufur Diploma*

During my time at Dufur School, I was involved in football for four years and three years of baseball for Dufur and this year of baseball in The Dalles. After graduation, I will work harvest in the summer then my plan is to go to trade school for welding. I would like to thank my mom and dad for helping me throughout high school.

# Hunter Woods

*Dufur Diploma*

During my time at Dufur School, I was involved heavily in basketball, and starting to play golf. After graduation, I plan on going into trade school and becoming a lineman. I would like to thank all the teachers I had along the way for always helping me out whenever I needed it. I would also like to thank my parents for always supporting me and keeping me motivated throughout all my years of high school.
