Dear Budget Committee / Community Members,

Welcome to the Dufur School District's Budget Committee and another budget development cycle. Your work is appreciated, and is a key in helping our district maintain a solid financial position. Budgeting is difficult in these unprecedented economic times.

The Governor's and Co-Chair's proposed budget once again isn't adequate, and will create significant cuts statewide in K-12 education. This budget proposes cuts in general fund spending. In an attempt to offset cuts, there are more grant dollars in our budget than ever before. If there is good news, it is that there are more grants available than ever before.

Dufur School District Average Daily Membership currently sits at 354 students.

During the 2024/25 school year, we received $ 11,637.00 per ADMW; current projections for the 2025/26 budget has us receiving $ 12,153.00 per ADMW. This includes the transportation grant.

Budget Challenges

1. Three elementary class sizes: (incoming 2nd, 4th & 6th) are large and require split classes to best serve the student's needs. As class sizes change, the district will respond accordingly.
2. Strong investment in health services: this is a building block area in that our students need to be healthy before they are able to attend school and learn. This program is thriving! This budget supports a full-time school nurse, as well as a full-time school counselor.
3. Inadequate state school fund support (SSF), the amount of resources available from the SSF does not keep up with inflation, creating shortfalls in all state budgets.

Current Grant Dollars Available

1. **Seismic Renovation Grant** - $ 2,500,000.00

   We recently received our second 2.5 million dollar grant from the Oregon Department of Education. This award will provide Seismic Upgrades for Dufur Elementary School.

2. **Student Investment Account program** - $ 402,214.00 dollars

   This will be year four of this program funded by the (CAT) tax that the 2019 legislature passed.

3. **High School Success (HSS) -** $ 96,655.00

   High School Success is up slightly this year after dipping in 24/25.

4. **Impact Aid Funding -** $ 60,000.00 dollars

   This program is in its third year in our district. It provides funding for students that live on non taxed federal lands in school districts. Like the Oregon State School Fund, Impact Aid is not easy to track. There are potential corrections during the year, creating challenges for tracking of the funds.

5. **Early Literacy -** $ 62,546.00 dollars

   This is the third year of the Early Literacy Grant to support early literacy learning. Following a slow start with this piece of money, it is now increasing on a yearly basis.

6. **PreSchool Promise -** $ 301,500.00 **-** The Pre-School Promise grant was awarded last summer after the budget was adopted and provided a major infusion of resources into our district. The district has applied for 12 additional slots for the 25/26 school year; the awards will be made during the summer of 2025. Each slot is worth approximately $ 16,000.00 dollars which would generate nearly $ 200,000.00 dollars in additional revenue. Additional slots are scheduled to be announced on June 2nd, if received the need for any reductions will be reduced.

Gaining more funding through grant programs will be a focus during the 25/26 school year. The district continues to have a grant team that meets weekly to identify and apply for available grants to offset state school funding shortfalls.

Current Available Funding

Revenue sources remain the same. Local property tax, which is obtained through our permanent rate of 4.4659 per thousand dollars of assessed value. State School Support Funds continue to provide the major portion of the district's operating revenue. Local Property Tax Revenue makes up 19% of the District's General Fund Budget.

The State School Fund is offset by $ 1,578,000.00 dollars in local revenue. This is made up primarily of the Common School Fund and local property taxes.

Budget Transfers - This budget provides budget transfers in 1. Technology Fund ($35,000.00), 2. Building Maintenance Fund ($ 20,000.00). The intent is to develop funds that will grow to provide resources in these specific areas in the future that would be available to deal with unexpected issues.

District Cash Reserves

The ending fund balance this year will be in the $ 500,000.00 range. Our auditing firm Accuity Accountants, recommends a 12 % reserve, and we are moving in that direction. This is an area that the staff and board will monitor and adjust in the coming years.

Current Proposed Budget Reductions

If needed, the following adjustments will be made. The outlined reductions would be a combination of attrition and actual reductions.

- Reduce 3.75 FTE classified positions - Positions to be determined

If the State School Fund is reduced further, additional cuts will be needed, and will be enacted prior to the beginning of the 25/26 school year. This is an ongoing process over the next few months to be fiscally responsible, while maximizing quality in academic programs. On the flip side, as grants are attained, cuts become less.

The May revenue forecast will be released later this week, which will have an impact on the state school fund (SSF) as well.

Future Assistance

- Inclusion of the **Ranger Pride Education Foundation** as a means to augment educational funding in our district. The RPEF will generate money through memberships, donations, sponsorships, etc., while still providing scholarships for Dufur High School Graduates.
- The RPEF is now directing a portion of earnings into the **Barbara Paist/Ranger Tech Fund** to provide an endowed teaching position in the near future. Barbara Paist/Ranger Tech. has just under $ 500,000.00 in it.
- The RPEF is also directing a portion of earnings into the **Garner Endowment for the Arts Fund.** The intent is to provide a Music/Arts position funded through this fund. This fund is growing rapidly, currently it has just under $ 300,000.00 in it.

Future Challenges

- **ADM** – The number of students enrolled fluctuates throughout each school year and is continually monitored. Currently we are at approximately 354 ADM, which amounts to 469.28 ADMW.
- Continued pursuit of resources that provide the latest technology to bolster each student's ability to learn in Dufur, and prepare them for the next step following the completion of their secondary education.
- Pursuit of grant dollars to augment the available dollars from the State of Oregon.
- Balance of strong academics and extracurricular programs with the available resources.
- Managing district growth, people are interested in their students attending school in Dufur, maintaining manageable class sizes is the challenge.
- This budget provides a 3 % raise for each staff member. This is an area that will be very important in the future in maintaining a pay structure for all employees that will attract, and maintain a quality staff. This is the second year of a new 3 year collective bargaining agreement, Salary will automatically reopen in November 2025. With the uncertainty of funding we agreed that this would need to be evaluated yearly, to ensure best decisions are made.
- The Dufur School District general fund budget expense is made up of 84.9 % employee costs.

On behalf of the district employees that have worked on the preparation of this budget document, I present this budget to the Budget Committee for its review and consideration. The efforts of the Budget Committee are appreciated and essential to the continued success of our school district.

Respectfully Submitted,

Jack K. Henderson, Budget Officer

STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING FROM LAST YEAR**

Dufur's ADM currently sits at 354. We received $11,637 per ADMw in 24/25 and expect $12,153 per ADMw in 25/26. Challenges in the 25/26 year include 3 learge classes which are split, a continued need for strong investment in health services for students, and shortfalls in state school funding. Grant revenue includes $2.5 million in Seismic Renovation funds, $562K from Integrated Programs, and $60K in Impact Aid. Strong investment in student health services and Special Education includes 2 F.T.E SpEd teaching staff, Occupational Therapist, and Speech Therapist, School Counselor, and School Nurse.
